Bank Director magazine If you're heading to a big city you'll have choices galore all types of restaurants located in all parts of town. If your destination is a medium sized city you'll have a variety of great restaurants from which to choose. And even if you're passing through a smaller town *Where The Locals Eat* identifies the best that town has to offer. *Where The Locals Eat* is the directory you'll need when you travel anywhere in the United States. It's for people who care about food and want to sample the best restaurants wherever they travel. Who knows better than the locals where to get a great meal? It's so logical it's amazing no one thought of it before. Ask them where they eat. The researchers at Magellan Press spent more than two years talking to local business and professional people in nearly one thousand towns and cities and finding where they go out to eat. What's the best place for barbecue? Where's a great place to take the family when relatives come to town? What restaurant hits the spot for pizza? For hamburgers? Or for impressing the boss? *Where The Locals Eat* is the most comprehensive and reliable restaurant guide on the market. It features the very best food America has to offer. With nearly 10 000 recommended restaurants no other directory even comes close. And unlike many guides it's not limited to gourmet restaurants or big cities. *Where The Locals Eat* will point you to the best restaurants in Boise, Idaho and Trenton, New Jersey as well as those in New York and Los Angeles. You'll want *Where The Locals Eat* with you wherever you go. If you drive, put it in the glove compartment; if you fly, slip it in your briefcase. Whether you're heading to Austin or Boston, pack it before you go.
