The Best Things In Life Are Free:

The Best Things in Life are Free Lonely Planet, 2016-08-01 Lonely Planet's *The Best Things in Life are Free* is packed full of money saving tips, tricks and recommendations for the best value sights and experiences around the world. From parks, museums and exercise classes that are free to insider ideas on food and experiences offered at great value, this book features over 60 major cities around the world and promises to help any traveller on a budget to make the most of their trip. Includes parks and gardens, street markets and food trucks, viewing points, museums and galleries, free experiences, spectator sports, city beaches and much more. For many, free and cheap things are not only appealing but essential for stretching the funds to last as long as possible for an extended journey. Yet even on a short trip, many unforgettable blasts of freedom and discovery can happen on a thin budget. You quickly realise that cheap can mean much, much better. No fancy Roman trattoria dinner can truly rival the bread and cheese picnic in Villa Celimontana, a short walk from the Colosseum, or a visit to the Eternal City. Needless to say, the monetary value implied in the term 'free' can misrepresent what's on offer within these pages. The quality of an experience, after all, is not always attached to a price tag, such as the priceless experience of unearthing the world's secret wonders, whether that's swimming around Sydney's ocean pools or strolling the tombs and monuments of Delhi's Lodi Gardens. Additionally, it's an exaggeration to say that everything good is 100% free, so you'll find plenty of excellent value, cheap things to experience throughout this book as well. Dip into your spare change for classy street food like a choripán, chorizo sandwich in Buenos Aires, the best views of Hong Kong's skyline from the Star Ferry, and a Boston brewery tour. After using the tips in this book, you'll be left with great memories, a happier you, and a grateful wallet. Happy travels!
