Nigel Beynon, Andrew Sach, 2005 When it comes to reading and understanding the Bible a dangerous phrase is used by non Christians and even some believers Well that s your interpretation It is true that without some care in your interpretation you can make the Bible say almost anything Dig Deeper is written out of the conviction that there is a right way to understand the Bible and a wrong way and the authors show us how to read it correctly Dig Deeper offers sixteen tools readers can use to get to the bottom of any Bible passage and discover its intended meaning Examples show how each tool helps readers discover something exciting and relevant in a passage and the Dig deeper exercises offer the opportunity to practice using the tools The book s brevity and easy to read format make it ideal for Christians who want to get the most out of their Bible **The Biblical World** William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1893 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 **Lost Treasures of the Bible** Clyde E. we change our lives in accordance with Scripture or do we change Scripture to fit our lives Virgil Vogt argues that we undermine Scripture s authority when we disregard its teaching about wealth or when we conclude that such teaching cannot be applied in a complex modern economy The Bible Vogt says is still the best guide to economic life Scripture teaches a consistent word about our possessions we are to use the things we have to gain eternal riches This teaching coupled with the principle of stewardship should govern our economic lives But it takes courage along with genuine faith and a single minded determination to live according to the Bible s standard in this area Treasure in Heaven offers a challenge for all Christians who want to bring their finances into line with God s Word The Bible in the World ,1912 The Bible in Spain George Borrow,1888 **Where Your Treasure Is** James Reapsome,Martha Reapsome,2010-09-01 Readers will find out what God has to say about how they should earn spend and give away their money **The biblical illustrator: or, Anecdotes [&c.] on the verses of the Bible, by J.S.
