## **The Biblical Shape Of Hope:**

**The Biblical Shape of Hope** Ralph L. Murray, 1971      *The Drama of Scripture* Craig G. Bartholomew, 2014-11-20 The second thoroughly updated and revised edition of a bestselling textbook that surveys the grand narrative of the Bible demonstrating how the biblical story forms the foundation of a Christian worldview *The Drama of Scripture* provides an engaging overview of the storyline and theology of the Bible The authors work their way through the Bible as a drama with six acts creation sin Israel Jesus mission and new creation Their study provides an introduction to the Bible and a commentary on important passages while helping the reader relate their story to the Bible story at each point      **Poetic Form and Romantic Provocation** Carmen Faye Mathes, 2022-06-28 Critics have long understood the development of Romantic aesthetics as a turning point in the history of literary theory a turn that is responsible for theories of mind and body that continue to inform our understandings of subjectivity and embodiment today Yet the question of what aesthetic experience can do grates against the fact that much Romantic writing represents subjects as not actually in charge of the feelings they feel the dreams they dream or the actions they take In response to this dilemma Poetic Form and Romantic Provocation argues that being moved contrary to one's will is itself an aesthetic phenomenon explored by Romantic poets whose experiments with poetic form and genre provoke unanticipated feelings through verse By analyzing how Romantic poets intervene affectively and aesthetically in readerly expectations of form and genre Mathes shows how provocations disrupt and invite disturb and compel interrupting or suspending or retreating in ways that ask readers to orient themselves materially and socially in relation to literary experiences that are at once virtual and embodied Examining the formal tactics of Charlotte Smith William Wordsworth Samuel Taylor Coleridge John Keats and Percy Bysshe Shelley alongside their reactions to historical events such as Toussaint Louverture's revolt and the Peterloo Massacre Mathes reveals that an aesthetics of radical openness is central to the development of literary theory and criticism in Romantic Britain      **An Essay on Apocalypse in the Bible, with a Sketch of an Interpretation of the Apocalypse of St. John** Pastor Emeritus (pseud.), 1876      **Christian Preaching** Michael Pasquarello III, 2011-06-28 Michael Pasquarello has written a must read book articulating a Trinitarian vision for preaching His compelling argument is richly informed by traditional biblical hermeneutics creedal history understood as storied attestation of the witness of Scripture and liturgical theology and practice considered as embodied performance of the Bible's divine narrative Here is a clear summons to the church to abandon all lesser homiletic aims and to prayerfully and faithfully proclaim the holy gospel to the glory of God Charles L. Bartow Princeton Theological Seminary Like all of Michael Pasquarello's work his newest book not only upholds the classical Christian tradition but also breathes new vitality into it In an era in which preaching is reduced to persuasive communication Pasquarello reminds us that the Christian message has a content that originates in and gives expression to the Father Son and Holy Spirit Richard Lischer Duke Divinity School One of the refreshing things about this fine book by Michael

Pasquarello is that when he thinks about the ministry of preaching he is not afraid to measure the breadth historically or plumb the depths theologically Pasquarello has written this book like a good sermon faithfully thoughtfully prayerfully and with a profound word to speak We are in his debt Thomas G Long Candler School of Theology Boldly challenging homiletical accommodation to American culture Pasquarello seeks to change the subject of preaching from method and marketing to the Triune God who is the source and goal of our speech A welcome theological vision of preaching Charles L Campbell Columbia Theological Seminary Christian Preaching brings together two disciplines that have sadly grown apart such that they almost developed irreconcilable differences preaching and theology Pasquarello offers a brilliant critique of theology as technique and draws on the theology and sermons of Irenaeus Augustine Luther Wesley and others convincingly demonstrating that effective pragmatic preaching requires substantive theological engagement and vice versa This book accomplishes its purpose so well that it should be used not only in preaching courses but also in basic theology courses No preacher should be let loose on a congregation without passing through Pasquarello s Christian Preaching D Stephen Long Marquette University Mike Pasquarello III PhD University of North Carolina Chapel Hill is Granger E and Anna A Fisher Professor of Preaching at Asbury Theological Seminary He is the author of Sacred Rhetoric Preaching as a Theological and Pastoral Practice of the Church Sixtieth Annual Report of the American Bible Society, Presented May 11, 1876 American Bible Society,1877
