inspirational romance Spine The Grand Theft Games Revenge of the Lawman Charles Gautschy III,2019-12-20 I am the Lawman Below is my creed Like a religious creed it is chanted so I remember in exacting detail everything I believed All my actions I once had two milliseconds of love Then they were removed from me I can most assuredly attest that it s not better to have loved and lost than never to have loved at all Love fueled my excruciating anger And then anger s loyal bedfellow Revenge Love turned me into a hate fueled monster To the perpetrators it was merely a game Even if the authorities knew who the were there were no lawmen to punish them I was without hope without retribution I was strapped in a straitjacket with only memories to taunt my immobilized carcass So I did what any brave soul would do I went about the slow business of killing myself Then as foretold by Edgar Allen Poe ONCE upon a midnight dreary while I pondered weak and weary Over many a quaint and curious volume of forgotten lore While I nodded nearly napping suddenly there came a tapping As of some one gently rapping rapping It wasn t a Raven It was a hovering prophet from the past It had a message for me Son She s buried alive She s running out of time Find her She can do anything I found her grave deep in the Atlantic Ocean where I would live during her revival If she could do anything I knew what I wanted her to do Remove the straitjacket that bound me I brought her back to life We created marionette ghouls that were inspired by unnatural genetic instinct They avenged my lost love I labeled myself the Lawman and lived a villainous comic book hero s quest for revenge We killed every last one of them Playing the puppet master we tweaked the strings of my unnatural creatures Our monsters escaped and mutated into viral roaming death with a zombie s lack of empathy Revenge is not a cold meal Revenge is a warm fillet cut with a butter knife it s seasoned with blood for just the right amount of saltiness The blood has to be fresh it needs to be deoxygenated
