## **The Legends Of The Jews Vol 2:**

The Legends Of The Jews Vol. 2 Louis Ginzberg, 2023-12-01 Louis Ginzberg's *The Legends of the Jews Vol 2* is a thorough and influential study. Some stories are brutal and weird while others creep up on you and draw you in slowly. Because the title character is so indulgent, readers are forced to keep reading to find out what happens next. This historical book is a wonderful compilation of concepts that have been condensed into a single draft for readers of all ages to read. This multi-volume series contains a plethora of Jewish folklore, myths, and stories spanning the centuries from the beginning of recorded history to the conclusion of the biblical era. Vol 2, *Bible Times and Characters from Creation to Jacob*, goes into the oldest stories in the Hebrew Bible. This edition of *The Legends of the Jews Vol 2* is both current and legible, with an eye-catching new cover and professionally typeset copy. Ginzberg meticulously weaves together a diverse range of materials, including Talmudic and Midrashic literature, to recreate and build on Old Testament episodes. His literature provides readers with a strong understanding of the cultural and religious roots of Jewish traditions, as well as insights into the moral, ethical, and theological components of these stories.

**The Legends of the Jews - Volume 2** Ginzberg Louis, 2016-06-21 Unlike some other reproductions of classic texts, 1. We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Legends of the Jews Louis Ginzberg, 2015-07-23 Excerpt from *The Legends of the Jews Vol 2*: The arrangement and presentation of the material in this volume are the same as in Volume I. In both my efforts have been directed to bringing together as full as possible a collection of Jewish legends that deal with Biblical personages and events. The sources of those legends and explanations of some of them will be given in the last volume of the entire work, and the numbers throughout the work refer to the notes in the concluding volume. My original intention was to continue Volume II up to the death of Moses, but the legendary material clustering around the life and death of Moses is so abundant that practical considerations demanded the division of this material in order not to make the second volume too bulky. The division chosen is a natural one. This volume closes with the Exodus and contains the deeds of Moses in Egypt, while the following volume will deal with Moses in the desert. The fact that Job is placed between Jacob's sons and Moses appears strange to some readers, since in the Bible Job is one of the last books, but legend is above time and space, and I have therefore given Job the place which legend has ascribed to him. **The Legends of the Jews** Louis Ginzberg,1998-05-13 The first books of the Bible describe powerfully but briefly the creation the first generations of humanity and the early history of the Jews In addition to their power to inspire thought and worship they inspired imagination Much of the richness of Jewish belief and wisdom comes from the many legends that answered questions raised by the silences of the Bible From the second to the fourteenth centuries the Talmud Midrash and their Targums incorporated apocryphal views of Biblical persons and events to help explain scripture Other legends found their way into the Kabbalah into Biblical commentaries and into Christian literature
