The Life and Teaching of the Prophet Muhammad Mohammad A. Rauf, 1964 *PROPHET MUHAMMAD AS A TEACHER* S. Dawood Shah, 2021-12-27 Muhammad PBUH was chosen for the subject of this book as he is considered a great teacher of mankind with one fourth of the world population following his teaching An orphan and an illiterate who taught mankind to worship the only one God lead an honest and upright life as per the laws and commands of God reminding mankind that the real life is in the hereafter for which men have to work with diligence in this world He revolutionized the life and attitude of the Arabs who were then living in the shackles of ignorance and barbarianism and developed a great civilization which ruled the world for more than a thousand years He realized that the essential tool to spread the message of God is literacy and its development and that which he encouraged by words and deeds which forms the main themes of this study The main sources of our study on Prophet Muhammad as a teacher are the Qur an the Hadith literature Sayings and Doings of Prophet Muhammad and various books on the life and teachings of Prophet Muhammad As for as Jesus is concerned Dillon s book has been taken as an axiomatic point of departure and only when materials corresponding to certain significant aspects of Jesus as a teacher had not been available in Dillon s book other books on the life and teachings of Jesus were used for reference No attempt has been made to re examine the propositions about Jesus that Dillon had settled upon Our comparison of the two is for clarification and better understanding of the subject and not to find who is superior between them

The Life and Teaching of the Prophet Muhammad Muhammad Abdul-Rauf, 1964 The Prophet of Peace Maulana Wahiduddin Khan, 2009-12-03 Maulana Wahiduddin Khan one of the most eminent scholars of Islam in the contemporary Muslim world draws on original Arabic sources to correct misconceptions about Islam s early history and to establish that the revolution brought about by the Prophet was entirely bloodless In fact the Prophet Muhammad formulated an ideal ideology of peace which he faithfully and rigorously put into practice In his time there were some minor skirmishes but no full fledged wars The Prophet of Peace deals with the significant issues associated with the life of the Prophet including jihad itjihaad the concept of war and the relationship with other religious communities Quoting extensively from the Qruana nd the Hadith Maulana Wahiduddin Khan illuminates the Islamic view of modernity secularism democracy

freedom of speech and the relevance of Islam in the modern age clarifying that Islam as revealed in the Quran is not anti modernity nor does it advocate violence Persuasive and compelling in its breadth and wisdom this book presents an authentic picture of the life and teachings of the Prophet Muhammad and is a must for all those who wish to understand Islam and its place in the world today *Islam* Solomon A. Nigosian,2004-01-29 This compact introduction to Islam describes the essential aspects of Islam as a living religion and social force The book is organized around seven topics the life of Muhammad Islamic political development and territorial expansion the important groupings of Islamic believers Sunni Shi ite and Sufi the Qur an the Holy Book of Islam Sunnah Hadith the record of the Prophet s actions and sayings and Shari ah the compilation of Islamic law the five Articles of Faith and the so called Five Pillars of Islam that govern faith and action and other binding religious observances and festivals The presentation of these seven aspects of Islam strikes a balance between fact tradition current interpretation and commentary S A Nigosian underscores two fundamental points that to understand Islam properly it is necessary to see it as a major faith tradition with Muhammad as the last of a series of messengers sent by God and that to grasp the spirit of Islam one must recognize its emphasis on an uncompromising monotheism with strict adherence to certain social political and religious practices as taught by the Prophet and elaborated by tradition A Critical Examination of the Life and Teachings of Mohammed Syed Ameer Ali,1873 The Messenger Tariq Ramadan,2008 The life of the Prophet Muhammad to whom the Angel Gabriel revealed the verses of the Quran has provided inspiration to Muslims for hundreds of years In *The Messenger* leading Muslim scholar Tariq Ramadan considers the ways in which the Prophet s actions words and teachings can guide us in the modern world Interspersed with spiritual and philosophical meditations this profound and stimulating biography shows how Muhammad s message can be used to address some of today s most controversial issues from the treatment of the poor and the role of women to the interpretation of jihad and relations with other religions It offers Muslims a new understanding of Muhammad s life and introduces non Muslims to the story of the Prophet and to the riches of Islam *In the Footsteps of the Prophet* Tariq Ramadan,2007-02-05 Here is a fresh and perceptive look at Muhammad capturing a life that was often eventful gripping and highly charged Ramadan provides both an intimate portrait of a man who was shy kind but determined as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire More important Ramadan presents the main events of the Prophet s life in a way that highlights his spiritual and ethical teachings The book underscores the significance of the Prophet s example for some of today s most controversial issues such as the treatment of the poor the role of women Islamic criminal punishments war racism and relations with other religions Selecting those facts and stories from which we can draw a profound and vivid spiritual picture the author asks how can the Prophet s life remain or become again an example a model and an inspiration And how can Muslims move from formalism a fixation on ritual toward a committed spiritual and social presence *The Pursuit of Learning in the Islamic World*, 610-2003 Hunt Janin,2006-10-30 Islam scares the West Militant conservatism and

the horrific acts of violent fundamentalists evoke outrage but the reprehensible few reinforce a longstanding Western stereotype of all Muslims as incorrigibly fanatical violent and morally and culturally different Overlooked is the long history of Muslim intellectual and cultural achievement and its potential to flower once again With about 1.5 billion adherents Islam is the world's fastest growing religion An understanding of its past glories present state and future potential has never been more critical This survey of Muslim intellectual and cultural achievements spans 1400 years Chapters fall into three sections fundamentals of Islamic learning its growth until the present and its future direction in the face of anti intellectual fundamentalism Arranged chronologically within the sections chapters begin with an historical overview of the time period they encompass providing context for the subsequent discussion of key intellectual and cultural achievements within that period Appendices describe decorative and other arts the requirements for expertise in Islamic thought Islamic ethical traditions and list noteworthy personalities and achievements chronologically Maps and photographs illustrate the text which also includes a glossary notes a bibliography and an index
