**The Life of Jesus Christ** Russell Shaw,2021-07-23 How often have you heard the Gospel at Sunday Mass and wondered What happens next Often our only experience of the Gospels is of those isolated segments taken out of context like unassembled pieces of a jigsaw puzzle rather than the story of our Savior s life The Life of Jesus Christ Understanding the Story of the Gospels aims to change that experience Author Russell Shaw weaves together the events of Matthew Mark Luke and John s narratives in chronological order to capture a true and rounded picture of Jesus life The Life of Jesus Christ is the scriptural companion you ve been searching for Together the four Gospels reveal Jesus Christ God Incarnate as a man of complexity and depth compassionate but stern who knew how to laugh and how to cry a charismatic leader uninterested in worldly power a subtle thinker who drew sublime messages from ordinary life With Shaw guiding you you ll truly get to know the Son of God in a new way **ABOUT THE AUTHOR** Russell Shaw is an author and journalist who has written more than twenty books For eighteen years he was secretary for public affairs for the National Conference of Catholic Bishops United States Catholic Conference He later oversaw media relations for the Knights of Columbus for ten years

### **The Life of the Lord Jesus Christ: a Complete Critical**

**Examination of the Origin, Contents, and Connection of the Gospels. Translated from the German** Johann Peter

Lange, 1864 **The Words and Works of Jesus Christ** J. Dwight Pentecost, 2016-10-04 The life of Jesus Christ takes on fresh clarity and meaning in this masterful work by Dwight Pentecost The words the miracles and overarching message of the Messiah come alive in flowing and detailed chronology set against the cultural political and religious setting of his day The Words and Works of Jesus Christ will give you a new and deeply biblical understanding of Why Jesus came How he operated What he accomplished Above all you'll acquire a deeper appreciation for the love that guided his path beginning in a manger in Bethlehem leading through three and a half years of ministry that ended abruptly at the cross on Golgotha and blazing forth in eternal triumph at the resurrection Drawing liberally on the works of others who have written about Christ such as Alfred Edersheim J W Shepherd W Graham Scroggie and Frederick Faraar Dr Pentecost reveals in his own writing a familiarity with the subject that comes from years of teaching Yet he writes not as one who knows all there is to know about Christ but with the restraint of one who knows that Jesus is to be worshiped and adored as the great King and that no book can do more than begin to tell all the wonders of his being and his love Journey with him on this study of the life of Christ

**The Life of the Lord Jesus Christ** Johann Peter Lange, 1864 *The Life of Jesus Christ* Razzab Shaikh, 2015-01-04 A new command I give you Love one another As I have loved you so you must love one another JESUS CHRIST The life of Jesus Christ the historical person whose name is attached to the many different denominations of Christianity which exist today In fact so much has been written that one might wonder whether anything truly new could be written about this one life As the reader will see new information about the life of Jesus Christ can be ascertained by combining biblical and secular historical accounts and traditions about the time in which he lived This chapter is not intended to be a complete history of the life of Jesus Christ It will cover those aspects of his life and times which have not been generally known The prior chapter dealing with the Parthian Empire discussed historical events which shaped the world into which Jesus Christ was born When some surprising information about his life is added to the history contained in the previous chapter it can be seen that Jesus Christ actually played a role in the great power politics which occurred between the empires of Parthia and Rome If he had chosen to do so he could have had a much larger role in the political affairs of that era and the Bible hints at such a possibility This chapter will begin by offering firm evidence that Jesus Christ was a real historical person Josephus a Jewish historian of the first century A.D. regarded the life of Jesus Christ as an established fact In *Antiquities of the Jews* Josephus wrote there was about this time Josephus here refers to matters concerning Pontius Pilate Roman procurator of Judea Jesus a wise man if it be lawful to call him a man for he was a doer of wonderful works a teacher of such men as receive the truth with pleasure He

drew over to him both many of the Jews and many of the Gentiles He was Christ and when Pilate at the suggestion of the principle men among us had condemned him to the cross he appeared to them alive again the third day as the divine prophets had foretold these and ten thousand other wonderful things concerning him and the tribe of Christians so named from him are not extinct at this day In this account written shortly after Christ died Josephus not only gave us a powerful witness that Jesus Christ truly lived but also provided an independent corroboration of many of the biblically discussed events of his life Josephus refers to him as a wise man and wonders whether he was more than a mere man because of the wonderful works he did Here a non Christian Jewish historian of the apostolic era writes of the miracles of Jesus as actual facts Josephus agrees with the testimonial writings that Jesus was indeed sentenced to be crucified by Pontius Pilate at the behest of the Jewish Sanhedrin the principle men among us Josephus acknowledges that Jesus Christ fulfilled the many prophecies of the Hebrew prophets about the Messiah and even refers to his resurrection as a historical fact 1 Josephus reference to Jesus as the Christ acknowledges that Jesus was the Messiah the anointed Since a non Christian source so close to the actual time of Christ has confirmed these facts of his life the musings of modern skeptics questioning Christ's existence are without merit Josephus could speak with eye witnesses of Jesus life modern skeptics are almost two millennia removed the events and their writings are merely speculative

Maas, 2017-10-26 Excerpt from The Life of Jesus Christ According to the Gospel History Sacred Scripture must be accurately understood before it can be judiciously applied Besides the moral and spiritual lessons of the gospels will suggest themselves to each one in particular as he reads the story or meditates upon its details They would have enlarged the present volume considerably without proportionately increasing its value Though it may seem less dignified to state controverted points as such than authoritatively to determine them still the former course has seemed more useful to the writer he has therefore contented himself for the most part with assigning a greater or less probability to the various opinions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
