Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **St. Peter** Charles River Charles River Editors,Andrew Scott,2017-12-29 Includes pictures Includes ancient accounts and Scripture passages Includes online resources and a bibliography for further reading And Jesus suffered no man to follow Him save Peter and James and John Mark 5 37 Apart from Jesus there is no character more vividly presented in the gospels than Peter To talk of Saint Peter is to talk about a man of action There is a good reason why he is the apostle with the most mentions in the Gospels and the most referred to in the New Testament a total of 195 times In comparison John the next most popular disciple barely reaches 29 references It is at decisive moments which require a categorical reaction where the leader of the Twelve shines it is then that Peter born as Simon Bar Jonah has no rival in the inner circle of disciples that followed Jesus of Nazareth At the same time during periods of uncertainty and inaction he hesitates collapses and shows his all too human side With all his virtues and shortcomings he became Jesus s man of confidence and over time the leader of the nascent Church Reconstructing the biography of Simon the Galilean requires throwing the nets over the waters of the many traditions of the leader of the Twelve the man who is always present at the turning points of the story of Jesus It has rightly been said that the Gospel of Mark and thus the gospels of Matthew and Luke is written from his point of view It is he whom Jesus calls first when he is working on the seashore it is Peter who proclaims with blind enthusiasm that his teacher is the Messiah who confronts him about the consequences and meaning of that title who cries bitterly for his cowardice who enters the house of the high priest where the rabbi is held prisoner and who after the crucifixion throws himself into the dark waters before the sunrise when he sees him again standing on the shore of the lake Peter was already a married man with a permanent job in Capernaum when Jesus passed by and said Follow me and I will make you a fisher of men Although the four canonical gospels tend to have disagreements they all agree on one crucial aspect Peter s preeminence Peter was the spokesman and the chief apostle the trustworthy disciple of the Lord and ironically the one who failed him again and again through his incomprehension his hesitation and impulsiveness For example he drew the sword to kill at a time of danger when his teacher was clearly against violence However according to several independent sources the risen Jesus went to appear to Peter first as if to comfort him and confirm him on his commission to feed the sheep Considering all this it is strange that few details about his later life are known That Simon Bar Jonah Cephas the man from Galilee was a historical figure is a fact that no one not even those who doubt the existence of Jesus would put in doubt The textual evidence is traced back to the years he lived in Jerusalem and at least one contemporary person mentions an encounter with him But the details are scarce Ironically most of the reliable information is in the writings of another

Christian leader with whom he had disputes Paul Traditions and legends about the life of Saint Peter are many not to mention several writings attributed to him Some may contain historical memories and others are parables but it is not a legend that while he was alive and even 2 000 years later Peter has been the center of heated controversies If indeed he was the leader of the apostles then do his successors the bishops of Rome have preeminence over all of Christendom To say that this question defined the history and the map of the Christian world for many centuries is an understatement Saint Peter is therefore one of the most important people in history    **The Man who Never Died** Gerald T. Brennan,2005 Most kids think of popes as old men who live quiet lives in the Vatican In fact danger surrounds every pope From John Paul II who was shot all the way back to the first pope the men God places in charge of His Church have been hated and attacked for their goodness and for the good the Church does The Man Who Never Died recounts the adventures of the apostle Peter the first pope and explains how Peter in giving his name and responsibilities to all the popes who follow him became the man who never died fulfilling the promise that Jesus made to him Thou art Peter and upon this rock I will build my Church the Church that remains standing today and will last until the end of time    Horæ Petrinæ: or, Studies in the life of st. Peter John Saul Howson,1883    **Bible Commentary** Edmund Dimaggio,2021-07-10 Peter was one of the 12 Apostles of Jesus Roman Catholic tradition holds that Jesus established St Peter as the first pope Matthew 16 18 Jesus also gave him the keys of the kingdom of heaven Matthew 16 19 which is why he is often depicted at the gates of heaven in art and popular culture In this warm devotional commentary the author brings the letters Peter wrote to Christians in Asia Minor to life Here you will be encouraged blessed and challenged as God s Word is lovingly explained Look elsewhere for critical debate and doubts Read on for divinely inspired Scripture dealt with as it should be evangelically faithful Christ centred truth    **Scenes in the life of st.
