John Galt, 1816 **The Life, Studies, and Works of Benjamin West, President of the Royal Academy of London (Classic Reprint)** John Galt, 2015-07-01

Excerpt from The Life Studies and Works of Benjamin West President of the Royal Academy of London The professional life of Mr West constitutes an important part of an historical work in which the matter of this volume could only have been introduced as an episode and perhaps not with much propriety even in that form It was my intention at one time to have prepared the whole of his memoirs separately for publication but a careful review of the manuscript convinced me that the transactions in which he has been engaged subsequently to his arrival in England are so much of a public nature and belong so immediately to the history of the Arts that such a separation could not be effected without essentially impairing the interest and unity of the main design and that the particular nature of this portion of his memoirs admitted of being easily detached and arranged into a whole complete within itself About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
