Baseball's Last Dynasty Bruce Markusen, 1998 During the first half of the 1970s no team dominated major league baseball like the Oakland A's. Led by future Hall of Famers Reggie Jackson, Catfish Hunter, and Rollie Fingers, the A's captured five consecutive division titles, three American League pennants, and three World Series trophies from 1971 to 1975. *Baseball's Last Dynasty* recounts the history of those colorful, controversial, and highly successful teams. As only the second franchise in major league history to win three consecutive World Series, the A's Ruled baseball in the era prior to the advent of free agency. With the help of an astute team of scouts, owner Charlie Finley assembled a nucleus of home-grown future stars wearing Oakland's garish green and gold uniforms: Bert Campaneris, Sal Bando, Joe Rudi, Gene Tenace, and Vida Blue. In addition to Reggie, Rollie, and Catfish, in spite of such talents, the A's struggled to surpass the level of mediocrity until the hiring of baseball's version of Vince Lombardi: Dick Williams. A fiery disciplinarian and disciple of Branch Rickey, Williams led Oakland to a first place finish in 1971, followed by consecutive world championships in 1972 and 1973. In chronicling the team known as the Mustache Gang and the Swinging A's, *Baseball's Last Dynasty* details the many fights and arguments in the Oakland clubhouse, the many controversies, as well as the departures of Williams and Hunter. In the nearly quarter of a century that has passed since the A's won their trio of titles, no team has managed to duplicate the feat. Given the instability created by free agency and the difficulty of keeping a championship team's payroll under control, no team may be able to match the accomplishments of Charlie Finley's A's. Exhaustively researched and including recent interviews with many of the key players, *Baseball's Last Dynasty* brings the story of this extraordinary team to life.

American Reference Books Annual Bohdan S. Wyrnar, 2007 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering

Yeah, reviewing a book **Sporting News Baseball Guide** could mount up your close links listings. This is just one of the solutions for you to be successful. As understood, execution does not suggest that you have astonishing points.
