FAAN, Sherry Greenberg MSN, BN, GNP-BC, 2010-04-20 Named a 2013 Doody's Core Title This excellent book highlights the
development of the nurse practitioner movement The current state of practice is defined and the potential growth of the role
is explored The important issues influencing the continued development of the nurse practitioner role are clearly presented
and reviewed This update is needed in light of the ever evolving healthcare arena Score 100 5 stars Doody's there are plenty
of lessons to be learned not only from the experiences and insights of these authors but also principles and practices which
they have found to be patient centered effective efficient and economical Loretta C Ford EdD RN PNP FAAN FAANP From
the Foreword This fifth edition discusses the evolution and future of advance practice nursing primarily for APN faculty and
APN NP practitioners as well as for leaders and administrators in education Fully updated and expanded the book
comprehensively describes the historical social economic and global contexts of advanced practice nursing The team of
expert contributors provides a wealth of insight into key issues of the day such as the mechanics of financial recognition of
NPs the effects of managed care and the globalization of advanced practice models The new edition also presents a fresh
perspective on the role of nurse practitioners in both small and large scale reform initiatives such as health promotion
disease management the rapid spread of global disease and the diminished economic capacity of many countries to meet
standards for health care Enriched with case studies key principles and best practices this book is a must have for all those
invested in the current and future status of advanced practice nursing Key topics include ilPublic relations strategies ilNurse
managed health centers ilAdult health and gerontology care ilBusiness policy and politics success factors for practice ilGlobal
