Teaching Good Behavior:

Positive Behavior Supports in Classrooms and Schools (3rd Edition) Keith Storey, 2023-05-04 This unique book provides teachers and other service providers the knowledge and skills for Positive Behavior Supports in school settings thereby improving the academic and social skills of their students. It is written in an informational format that teachers and other service providers can immediately put to use. The text is generic across K-12 grade levels and focuses on Positive Behavior Supports in school settings. Each chapter begins with Key Point Questions followed by two Window to the World Case Studies information on the Key Point Questions, Discussion Questions and Suggestions for Classroom and School Activities. Additionally, an overview of Positive Behavior Supports is provided which includes Measuring Behavior, Functional Assessment and Analysis, Reinforcement, Punishment, Classroom Structure, Preventative Procedures and Interventions, Cooperative Learning and Peer Tutoring, and Family and Agency Involvement. The Self Management Strategies, Social Skills Instruction and School Wide Positive Behavior Supports are vital areas of knowledge. This How To book is written for teachers and other direct service providers in a non-technical manner with specific real world examples.

Handbook of Applied Behavior Analysis Johnny L. Matson, 2023-04-29 This book provides comprehensive coverage of applied behavioral analysis (ABA). It examines the history and training methods of ABA as well as related ethical and legal issues. The book discusses various aspects of reinforcement including social reinforcers, tangible reinforcers, automatic reinforcement, thinning, reinforcers and behavioral momentum. It addresses basic training strategies such as prompts and fading, stimulus fading and stimulus pairing, and provides insights into auditory, visual discrimination, instructional feedback, generalization, error correction procedures and response interruption. In addition, the book addresses the use of ABA in education and explores compliance training, on-task behavior, teaching play and social skills, listening and academic skills, technology, remembering and cognitions, picture-based instruction, foreign language instruction, teaching verbal behavior, public speaking and vocational skills. In addition, the book covers treatments for tics, trichotillomania, stereotypies, self-injurious behavior, aggression and toe-walking. It also addresses ABA for special populations including individuals with autism, ADHD, substance abuse and intellectual disabilities. Featured areas of coverage include Basic assessment methods such as observing behavior, treatment integrity, social validation, evaluating physical activity, measuring sleep disturbances, preference assessment and establishing criteria for skill mastery. Functional assessment including how to quantify outcomes and evaluate results, behaviors that precede and are linked to target behaviors and treatments. Treatment methods such as token economies, discrete trial instruction, protective equipment, group-based and parent training, as well as staff training and self-control procedures. Health issues including dental and self-care, life skills, mealtime and feeding, telehealth, smoking reduction and cessation, and safety training. Leisure and social skills such as cellphone use, gambling, teaching music, sports and physical fitness.
