*The Church As Learning Community* Norma Cook Everist, 2010-10-01

Norma Cook Everist contends that it is meaningful to say that in ministries of administration, outreach and pastoral care the church is functioning as a learning community. Whenever and wherever Christians are being formed into the image of Jesus Christ through ministry there Christian education is taking place. Christian education is the name we give to that process of formation. Building on this central insight Everist has written a major new introduction to the tasks and practices of Christian education. Part 1 of the book focuses broadly on what it means to be the church in the world. Part 2 shows how being a learning community requires ongoing growth in faith throughout the span of life. Part 3 shifts focus to the church as it moves into the community and world.
