Many people have speculated on the destiny of the Ten Lost Tribes of Israel which were carried away by the Assyrians in 722

primarily shows evidence that the tribes went to Samarkand and that their descendants still live in that area Samarkand has  
been called a mysterious exotic or grand city by different authors However little is known about its origin name and people  
even though it has existed for more than 2500 years and was a hub of the Great Silk Route from China and the Great Spice  
Route from India The author noticed after visiting the city in 1971 an amazing number of similarities between the people  
there and the tribes This book will interest religious groups biblical historians and historians of ancient history      **Magic,

while keeping an eye on science this book aims to capture some of the power of the occult Readers will discover that the  
occult has a long history that reaches back to Babylonia and ancient Egypt It proceeds alongside and frequently mingles with
