**Love Without Fear** Eustace Chesser,1941      *Fundi's Sexual Intercourse Technique* Mfundisi Mthimunya,2024-10-26 LEARN FUNDI S SEXUAL INTERCOURSE TECHNIQUE AND ENJOY SEX EXTREMELY LIKE NEVER BEFORE Fundi s Sexual Intercourse Technique is a technique formulated by the author to assist men in having sexual intercourse longer than the usual time This technique teaches a man to delay the ejaculation for a long period thereby assisting the couple to have enough time to enjoy this activity and to even let the woman experience orgasm which is seldom experienced when sexual intercourse is performed during a short space of time It is very important to learn this technique because when a man masters this technique his woman will enjoy sexual intercourse extremely merely because its longevity is guaranteed If Fundi s Sexual Intercourse Technique is performed accurately slowly and with the desired alacrity and enthusiasm the couple would be able to experience full penetration for a period of 10 to 14 hours within 24 hours Believe me when I state that this is possible and it has been done by several couples who gave themselves enough time to engage in this activity through working together and making sure that there is enough time allocated to engage in this activity During the aforementioned period the woman can experience orgasm multiple times and the man will also have the opportunity to enjoy this activity to the fullest Sexual intercourse is exciting intricate and extremely enjoyable if it is done longer than the average time Couples need to avoid the type of sexual intercourse where they rush to let the man ejaculate prematurely As a man you

can learn develop and advance your sexual intercourse performance by learning Fundi s Sexual Intercourse Technique properly You will be surprised by the abundance of benefits you will reap from knowing administering and practicing this technique Women will be throwing themselves at you because the moment you engage in this activity with a woman and deliver this technique properly she will inform her friends who will also need to experience what their friend has experienced Some women will even prefer to engage in threesome sexual intercourse with you because they cannot cope with your stamina when they engage in it alone with you     *Instructor's Guide for Sexual Interactions* Elizabeth R.
