Technique Of Social Progress:

Social Performance Jeffrey C. Alexander, Bernhard Giesen, Jason L. Mast, 2006-05-04 Jeffrey C Alexander brings together new and leading contributors to make a powerful and coherently argued case for a new direction in cultural sociology one that focuses on the intersection between performance ritual and social action Performance has always been used by sociologists to understand the social world but this volume offers the first systematic analytical framework based on the performance metaphor to explain large scale social and cultural processes From September 11 to the Clinton Lewinsky affair to the role of the South African Truth and Reconciliation Commission Social Performance draws on recent work in performative theory in the humanities and in cultural studies to offer a novel approach to the sociology of culture Inspired by the theories of Austin Derrida Durkheim Goffman and Turner this is a path breaking volume that makes a major contribution to the field It will appeal to scholars and students alike *Communication and Sustainable Development* ,2007-01-01 Communication for Development is about dialogue participation and the sharing of knowledge and information among people and institutions The 9th UN Roundtable Rome September 2004 focused on Communication and sustainable development and addressed three key inter related themes that are central to this issue Communication in Research Extension and Education Communication for Natural Resource Management and Communication for isolated and Marginalized Groups The selection of key note papers presented in this publication offers views and perspectives that contribute to these themes
