# The Battle For Jerusalem

**Abraham Rabinovich**

## The Battle For Jerusalem:

**The Battle for Jerusalem** American Friends of a Jewish Palestine,1941      *The Battle for Jerusalem, June 5-7, 1967*

Abraham Rabinovich,1987 The author recounts Israel's swift and successful attempt to capture Jerusalem's Old City during the Six Day War of 1967      *The Battle for Jerusalem* Abraham Rabinovich,2017-04-28 Including a chapter on post war

Jerusalem Prose that is as graphic as it is lucid The Battle for Jerusalem is deservedly acclaimed as a classic of its genre Prof Howard M Sachar author of A History of Israel Extraordinarily dramatic Prof Edward N Luttwak author of Strategy The Logic of War and Peace Abraham Rabinovich arrived in Jerusalem five days before the Six Day War as a reporter for an American newspaper He covered the battle for the city and was on the Temple Mount a few hours after its capture To understand the momentous events he had witnessed he subsequently interviewed 300 soldiers officials and civilians The conquest of the Old City a major event in modern Middle East history was something that Israel's leaders had not planned and that some of them did not want The book was written soon after the war when memories were fresh The current revised edition expands the context political and military and offers new perspective from both sides of the battlefield With the outbreak of war with Egypt Israel sought to avoid a second front Hours after Jordan opened artillery fire Israel refrained from substantive retaliation as it sought a cease fire Only after Jordanian troops penetrated the Jewish city did Israel respond on the ground and even then in measured stages The Israeli cabinet was divided over capture of the Old City It was surprisingly the religious ministers who argued against it most vigorously They feared that Israel could not stand up to international pressure if it annexed an entity that was not just the cradle of Jewish history but also sacred to Christianity and Islam However events created a vacuum on the West Bank into which Israel was inexorably pulled step by step We witness the heated debate in Jordanian military headquarters where King Hussein had handed over command of his army to an Egyptian general The latter's strategy was designed to meet Egypt's needs not Jordan's It would cost Jordan the West Bank The book begins with a description of Jerusalem as a divided city split between Israel and Jordan since Israel's War of Independence With the onset of the crisis in 1967 anxiety grips Israeli Jerusalem which had been besieged for months in the earlier war and elaborate emergency measures are set into motion On the Arab side of the city by contrast there is euphoria and anticipation of an easy victory Virtually nothing is done to prepare the civilian sector The Israeli general staff pushes for a pre-emptive air strike against Egypt but the government resists Tensions reach a point where at least one general Ariel Sharon considers the possibility of a putsch The appointment of Moshe Dayan as defense minister opens the way to war Defense of Israeli Jerusalem is entrusted to the Jerusalem Brigade made up of local reservists The greatest concern is Mount Scopus an Israeli enclave behind Jordanian lines An Israeli armored brigade is dispatched from the coastal plain with orders to reach Scopus by flanking the Jordanian line It would have to breach thick minefields and scale difficult terrain as it races a brigade of Jordanian tanks coming up from Jericho With time pressing a paratroop brigade is ordered to relieve Scopus by driving

through the center of the Jordanian defenses The reader follows the grueling battles in the trenches of Ammunition Hill and the streets of east Jerusalem through the eyes of the men who fought there We see the growing isolation of the Jordanian garrison in the Old City their last bastion In a room lit only by distant flares the Jordanian commander informs the local governor that he is pulling his troops out A number of soldiers choose to remain and engage the Israeli troops from the alleys and ramparts of the walled city A classic tale **The Battle for Jerusalem** John Hagee,2003-01-12 Newly updated and revised with the most current information about the events in the Middle East Pastor John Hagee explains how the Israeli and Palestinian conflict will affect global politics America s energy supply and the world economy The Battle for Jerusalem explores the heart of Israel s current struggle the history behind the antagonism between Arabs and Jews and the powerful significance of the Temple Mount a thirty five acre parcel that is the most fiercely contested real estate on the planet Hagee explains how this conflict is not merely political or economic but is also spiritual with the repercussions of their actions continuing to echo across the world Most importantly Hagee illustrates how all the players in this tortuous conflict fit into God s plan for the ages Previous editions 0 7852 6788 3 0 7852 6588 0 and 0 7852 6542 2 *The Battle for Jerusalem*

Mordekhai Gur,1978 *The battle for Jerusalem* Shlomo Shamir,2001 *The Battle for Jerusalem* Mordechai Gur,2004-08-31 Providing an unforgettable account of the events surrounding the critical Battle for Jerusalem during the 1967 Six Day War this fast paced narrative by Israeli chief of staff and field commander Gur brings alive all the tension terror uncertainty hope and desperation of the conflict **The Battle for Jerusalem** Abraham Rabinovich,2012 THE BATTLE FOR JERUSALEM An Unintended ConquestThe battle for Jerusalem in June 1967 was a milestone in the turbulent history of the modern Middle East and in Jewish history Abraham Rabinovich arrived in Jerusalem five days before the war as an American reporter He witnessed the beginning of the battle from Mayor Teddy Kollek s office window Two days later he was on the Temple Mount with the paratroopers who captured it The book he subsequently wrote The Battle for Jerusalem was based on interviews with 300 soldiers and civilians The revised eBook edition adds a broad political context and an expanded examination of the Arab side of the story civilian and military This definitive account reveals the chance nature of events that led to the Israeli capture of Arab Jerusalem something Israel had not planned and which many ministers opposed Although the Israel Defense Forces had contingency plans for battle in many corners of the Middle East it had none for ancient Jerusalem on Israel s border the object of Jewish prayers for thousands of years Only as the tide of battle carried Israeli forces to the walls of the Old City did the political leadership come to view its capture as an historical dictate that the Jewish state could not avoid embracing Its capture would be improvised on the run **The Battle for Jerusalem** Mordechai Gur,1974 *The Battle for Jerusalem* American Friends of a Jewish Palestine,Pierre Van Paassen,1941 *Among Lions* J. Robert Moskin,1983 Provides an authoritative vivid account of the battle for Jerusalem during the 1967 war between Israel and Jordan **Fighting for Jerusalem** Charles River Charles River Editors,2018-03-26 Includes pictures Includes

contemporary accounts Includes online resources and a bibliography for further reading When Israel captured East Jerusalem during the Six Day War in 1967 it established Jewish control over the city for the first time in nearly 2 000 years and in many ways it brought a story full circle as Jerusalem has witnessed some of history's most important battles over the past 3 000 years Over 2 500 years before the Six Day War the Babylonian king Nebuchadnezzar II oversaw the expansion of the Neo Babylonian Empire during the 7th and 6th centuries BCE which placed him in conflict with Egypt and the ancient kingdom of Judah His ruthless conquest of Judah resulted in the destruction of Jerusalem and the entire kingdom and it ultimately earned him notoriety in the Old Testament where he is mentioned in the books of Jeremiah Ezekiel and Daniel The Assyrians also exiled the Jews The Siege of Jerusalem in 70 CE is arguably the most important event in Jewish history First it was the central battle in the First Jewish Roman war Second the failure of the siege on the Jewish side resulted in the destruction of the Second Temple of Jerusalem a disaster that would eventually prove both permanent and catastrophic since it was never rebuilt Third it permanently altered the diaspora of Judaism in the Ancient World Fourth because it was indecisive in breaking the power of the Jewish revolt permanently it was also inconclusive and led to further inevitable revolts that broke Judean identity completely Of the many campaigns during the Middle Ages few are as remarkable or seemingly impossible to win at the start as the First Crusade 1095-99 and the true crowning achievement of that crusade which resulted in two centuries of Western European Christian states in the Middle East and the permanent firing of the European imagination was the conquest of Jerusalem on July 15 1099 after three weeks of siege That victorious siege came four years after the call for a crusade first went out and had the Crusaders not taken Jerusalem the First Crusade would not likely have been followed by any more and the campaign might have been no more than an historical footnote of what could have been As it turned out the siege of Jerusalem and the crusade as a whole says much about the first major clash of Western and Eastern military tactics after the fall of the Roman Empire as well as the power of faith and even fanaticism to motivate people beyond ordinary human endurance For better and worse the siege and fall of Jerusalem to the Crusaders has become a fundamental piece in the current view of the West in that part of the world Indeed to this day the First Crusade remains a polarizing event even among modern historians For some the Crusaders were heroes and saints and for others they were devils who disrupted the peaceful local sects of Muslims Jews and Christians establishing an alien colony that heralded modern European imperialism In fact the First Crusade is a good example of why it is unwise to choose sides in history because neither side was correct and the situation was highly complex In the wake of the Crusades Jerusalem's status would change fairly frequently until the establishment of the Ottoman Empire but that would make the region a flashpoint during World War I When the Ottoman Empire dissolved following the Great War Jerusalem became one of the 20th century's most important political issues and it would witness more fighting in 1948 and 1967 Fighting for Jerusalem The History of the Most Important Battles and Sieges for Control of the World's Holiest City chronicles the most influential conflicts for

control of the city Along with pictures of important people places and events you will learn about the fighting for Jerusalem like never before in no time at all    **The Liberation of Jerusalem** Uzi Narkiss,1983 The War of Independence of 1948 first gave rise to the divided city of Jerusalem in which the Old City remained in Arab hands This book analyzes the Six Day War a 72 hour period which shook the Jewish world in which General Uzi Narkiss commanded the battle to reclaim Jerusalem for the Jews

**Works** Washington Irving,Richard Henry Stoddard,1893    **Under the Flag of the Orient, an Account of the Battle Scenes, Historical Events, Tragedies and Romances, Marvelous Legends, Customs and Character,**

**Hopes, and Promises of the Race of Israel** Marion Harland,1897    **Zechariah's Hope Paperback** David C Coldwell,2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool

**The Time of the End; Or, Notes on Passages in the Books of Daniel, Ezekiel, and Zechariah, Etc** Walter Chamberlain,1878    **The Works of Flavius Josephus. Translated by William Whiston. With a Portrait** Flavius Josephus,1873    **The China War & the Third Temple** Jr. Irvin

Baxter,2001-09-20 What will the world be like the day after one third of the earth's population is snuffed out in a horrible holocaust An unprecedented cry for a system of global government that can enforce peace and security will be heard around the world This time of global emergency will be the perfect backdrop for the rise of a world leader with answers

**Mahomet and his successors** Washington Irving,1882

Recognizing the mannerism ways to acquire this book **The Battle For Jerusalem** is additionally useful. You have remained in right site to start getting this info. get the The Battle For Jerusalem connect that we provide here and check out the link.
