## **The Better Sort:**

The Better Sort (A Collection of Short Stories) Henry James, 2016-04-03 This early work by Henry James was originally published in 1903 and we are now republishing it with a brand new introductory biography Henry James was born in New York City in 1843 One of thirteen children James had an unorthodox early education switching between schools private tutors and private reading James published his first story A Tragedy of Error in the Continental Monthly in 1864 when he was twenty years old In 1876 he emigrated to London where he remained for the vast majority of the rest of his life becoming a British citizen in 1915 From this point on he was a hugely prolific author eventually producing twenty novels and more than a hundred short stories and novellas as well as literary criticism plays and travelogues Amongst James's most famous works are *The Europeans* 1878 *Daisy Miller* 1878 *Washington Square* 1880 *The Bostonians* 1886 and one of the most famous ghost stories of all time *The Turn of the Screw* 1898 We are republishing these classic works in affordable high quality modern editions using the original text and artwork The Better Sort; Or, A Girl of Spirit William Hill Brown, 1789 *A Burglar of the Better Sort* Tytus Czyżewski, 2019-11-29 The history of Poland since the eighteenth century has been marked by an almost unending struggle for survival From 1795 through 1945 she was partitioned four times by her stronger neighbours most of whom were intent on suppressing if not eradicating Polish culture It is not surprising then that much of the great literature written in modern Poland has been politically and patriotically engaged Yet there is a second current as well that of authors devoted above all to the craft of literary expression creating art for art's sake and not as a didactic national service Such a poet is Tytus Czyżewski one of the chief and most interesting literary figures of the twentieth century Growing to maturity in the benign Austrian partition of Poland and creating most of his works in the twenty year window of authentic Polish independence stretching between the two world wars Czyżewski is an avant garde poet dramatist and painter who popularised the new approach to poetry established in France by Guillaume Apollinaire and was to exert a marked influence on such multi faceted artists as Tadeusz Kantor *A Burglar of the Better Sort* offers in the English translation of Charles S Kraszewski the entirety of Czyżewski's surviving literary output from surrealistic plays like *Donkey* and *Sun in Metamorphosis* and his inimitable formistic poems through the playful Christmas pastorals which so delighted Czesław Miłosz to his theoretical writings which form the basis for his radically individual shamanistic approach to literary creation A truly global talent Czyżewski belongs to the world a world which beyond Poland finally has the opportunity to get to know him
