## **The Law Dictionary:**

*The Law-dictionary* Thomas Edlyne Tomlins, 1820      **The International Law Dictionary** Robert L. Bledsoe, Boleslaw Adam Boczek, 1987 This dictionary of 368 key terms in international law concepts major treaties international conventions and theories clarifies a broad range of issues in this field Organized thematically its 12 chapters bring together terms on topics such as jurisdiction and jurisdictional immunities treatment of aliens the law of the sea and laws of war and neutrality The two part entries first define the term and then explain its significance and implications through historic and current examples Most of the see also references within the definitions refer to other terms within the same chapter The index not only identifies entry terms but also analyzes the entries contents thus allowing thorough retrieval on any topic ISBN 0 87436 406 X 37 50 For use only in the library      **A Law Dictionary** John Bouvier, 1864      A Concise Law Dictionary - For Students and Practitioners P. G. Osborn, 2008-11 Text extracted from opening pages of book CONCISE LAW DICTIONARY FOR STUDENTS AND PRACTITIONERS WITH SUMMARIES OF THE LEADING CASES AND A TRANSLATION OF ROMAN LAW TERMS AND LATIN MAXIMS BY P G OSBORN LL B Of University College London of Gray's Inn Barri Printed in England PREFACE VVP DEGREES THIS book is an attempt to provide a concise law dictionary for the use of the practitioner and the student in which the words and phrases the rules and doctrines of the law of England are defined and explained Matter of mere antiquarian interest has been excluded and space has been found to give on subjects of importance fuller notes than are usually attempted For instance in addition to the ordinary definition of an infant I have endeavoured to state concisely his liability in contract and tort with a reference to the cases To assist the student in his reading the more important terms of the Roman Law have been included To write a law book without cases is like building a house without foundations This Dictionary is unique in my experience in giving a summary of the leading cases in all the important branches of the law The principle laid down or exemplified by the case is stated together where necessary with a brief statement of the facts and the decision References to the cases are made throughout under the proper headings The student has to become familiar with a good many cases and these notes in a convenient form for reference should prove of assistance As the titles are arranged in strict alphabetical order no references are of course given to pages iv PREFACE The effect of the new Property Acts and other recent statutes has been noted I am under a particular obligation to Mr Byrne for the free use I have made of his monumental Law Dictionary and to Mr J L Montrose LL B Barrister at Law for reading the proofs and making many suggestions I am indebted to my brother Mr Harold Osborn and to Miss Helene Ross B A of University College for their invaluable assistance Any imperfections which may appear I very much regret but the sacrifice of many leisure hours will not have been in vain if I am able to help the student along his interesting but intricate way P G O Work work while it is yet day and in your lives let there be no misspent hours WILLIS Law of Negotiable Securities 4th ed p 171 y LATIN FOR LAWYERS ACCENT AND PRONUNCIATION Accent 1 In words of two syllables the accent is always on the first E g bo

P. Sprague, 2025-07-28 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **A New Law-dictionary** Giles Jacob, 1729      New Insights into the Semantics of Legal Concepts and the Legal Dictionary Martina Bajčić, 2017-04-12 This book focuses on legal concepts from the dual perspective of law and terminology While legal concepts frame legal knowledge and take center stage in law the discipline of terminology has traditionally been about concept description Exploring topics common to both disciplines such as meaning conceptualization and specialized knowledge transfer the book gives a state of the art account of legal interpretation legal translation and legal lexicography with special emphasis on EU law The special give and take of law and terminology is illuminated by real life legal cases which demystify the ways courts do things with concepts This original approach to the semantics of legal concepts is then incorporated into the making of a legal dictionary thus filling a gap in the theory and practice of legal lexicography With its rich repertoire of examples of legal terms in different languages the book provides a blend of theory and practice making it a valuable resource not only for scholars of law language and lexicography but also for legal translators and students      Black's Law Dictionary Bryan A. Garner, 2019 For nearly 130 years Black's Law Dictionary has been the gold standard for the language of the law The greatly expanded 11th edition with new material on every page is at once the most practical comprehensive scholarly and authoritative law dictionary ever published With clarity and rigor it defines more than 55 000 law related words and phrases recording their historical and present day nuances This edition introduces 3 500 new terms including accountability anticipatory self defense cyber force Islamic law Jewish law legal moralism legal reasoning moral equality peacekeeping remotely piloted warfare right to rebel and umbrella clause More than 900 Latin maxims have been added newly translated and carefully indexed for this edition making Black's Law Dictionary the most thorough and reliable source for these essential and often elusive items Headwords are given their dates of earliest known use in English language sources giving dictionary users a greater sense of historical context Black's Law Dictionary is the only legal dictionary to provide such data The extensive bibliography lists the more than 1 000 classics of legal literature that are briefly quoted throughout the dictionary to amplify the user's understanding of legal terminology Each of the more

than 6 000 quotations locates a critical and otherwise hard to find explanation of the terms under discussion
