The Lawrence Taylor Story:

The Lawrence Taylor Story Howard Liss, 1987 A biography emphasizing the career of the star linebacker of the New York Giants football team **The 50 Greatest Players in New York Giants History** Robert W. Cohen, 2018-09-01 The New York Giants joined the National Football League back in 1925 and have since been one of the league's flagship franchises. The Giants have appeared in nineteen NFL championship games more than any other team and have won eight league championships. Iconic figures such as Eli Manning, Phil Simms, Harry Carson, Michael Strahan, and Frank Gifford have all played for the Giants. Twenty-five players who spent at least one full season with the Giants have been inducted into the NFL Hall of Fame, and fifteen of those men spent the majority of their careers playing for the team. This book carefully measures the careers of those players who made the greatest impact on the team. The ranking was determined by such factors as the extent to which each player added to the Giants' legacy, the degree to which he impacted the fortunes of his team, and the level of dominance he attained while wearing the Big Blue uniform. Features of *The 50 Greatest Players in New York Giants Football History* include:

Each player's notable achievements
Recaps of the player's most memorable performances
Summaries of each player's best season
Quotes from former teammates and opposing players

*Football fans will find *The 50 Greatest Players in New York Giants Football History* a fascinating collection of bios, stats, recaps, quotes, and more.*

And with such iconic figures as Lawrence Taylor, Emlen Tunnell, Roosevelt Brown, and Mel Hein leading the list, this book is sure to inspire debate and controversy among true Giants supporters. *Once a Giant* Gary Myers, 2023-09-12 The inside story of the Super Bowl champion 1986 Giants, the extraordinary friendships that resulted, and stunning revelations about the hardships they faced based on new interviews with Bill Parcells, Phil Simms, Mark Bavaro, and Bill Belichick. The 1986 New York Giants are legendary. A championship team coached by Bill Parcells and his wunderkind assistant, Bill Belichick, featuring future Hall of Famers and All Pros like Phil Simms, Lawrence Taylor, Mark Bavaro, and Harry Carson. They were dominant on the field and formed a unique and lasting bond off of it. More than thirty years later, it's the friendships that have proved more important a matter of life and death. In *Once a Giant*, bestselling football writer Gary Myers tells the story of that team and what became of it. Gridiron glory eventually faded, chronic pain, addiction, and in some cases, crimes have followed. Many football players face these harsh realities, but the Giants have confronted and survived them together. With unprecedented access, Myers dives into such issues as Mark Bavaro's battle with injuries, the breakup and reconciliation of Parcells and Belichick, and Lawrence Taylor's struggles with sobriety. He creates a never-before-seen portrait of the team's run to the title and their even more challenging fight to live after it ended. **The Great Black Hope** Constance Gorman, 2012-10 Tony is an African American high school student and a stand-out high school football player on track to participate in college football and possibly the NFL. Tony and his older brother learned the social dynamics of surviving on the inner city streets while fostering their love for football. Then his brother, who is also his best friend, went away to college.

on a football scholarship and Tony found himself alone He fell into a deep life threatening depression when faced with the fact that he was illiterate he may never graduate from high school and realize his dream of a career in the NFL Follow Tony's plight from utter despair to a life full of hope and personal victories when he asks a Science teacher to teach him to read God challenges the teacher to choose Tony's life or her career She chooses Tony's life and many miraculous occurrences
