**Guardians** Luna Stonebridge, The calm in the Library never lasts In the aftermath of the events in the basement Martin Valeria and L zaro struggle to return to a precarious normality watching over the magic that slumbers beneath their feet But the balance is fragile and they are unprepared for the force about to be unleashed from within An ancient and chaotic power threatens to consume the Library drawing the attention of the entity pulling the strings from the shadows the Landlord This time however the creature doesn t offer a deal it imposes an impossible mission A mirror world a twisted and alien reality is collapsing and its destruction could drag all other worlds down with it Transported against their will to a city where time itself is broken the group must confront a mystery even greater than that of their own library There among floating clocks and fracturing realities they will discover they are not the only exiles in the Landlord s game and that the threat is far more personal than they ever imagined Can they mend a foreign world without breaking their own And what price will they have to pay when they find that the only way out might demand the sacrifice of their very identity The Voiceless Guardians plunges you back into the addictive universe of The Librarian s Secrets in a sequel that expands the boundaries of reality and explores the depths of sacrifice If you love logic defying mysteries reluctant heroes and atmospheres where suspense and wonder go hand in hand prepare to be captivated until the very last page

The Librarian Spies Louise Robbins, 2009-03-20

In 1950 Senator Joseph McCarthy declared that the State Department was a haven for communists and traitors Among famous targets like Alger Hiss the senator also named librarian Mary Jane Keeney and her husband Philip who had been called before the House UnAmerican Activities Committee to account for friendships with suspected communists memberships in communist fronts and authorship of articles that had been published in leftist periodicals Conservative journalists and politicians had seized the occasion to denounce the pair as communist sympathizers and spies for the Soviet Union If the accusations were true the Keeneys had provided the Soviets with classified information about American defense and economic policies that could alter the balance of power between those rival nations If false the Keeneys had been shamefully wronged by their own government for the accusations tumbled them into grief and poverty In 1950 Senator Joseph McCarthy declared that the State Department was a haven for communists and traitors Among famous targets like Alger Hiss the senator also named librarian Mary Jane Keeney and her husband Philip who had been called before The House UnAmerican Activities Committee to account for friendships with suspected communists memberships in communist fronts and authorship of articles that had been published in leftist periodicals Conservative journalists and politicians had seized the occasion to denounce the pair as communist sympathizers and spies for the Soviet Union If the accusations were true the Keeneys had provided the Soviets with classified information about American defense and economic policies that could alter the balance of power between those rival nations If false the Keeneys had been shamefully wronged by their own government

for the accusations tumbled them into grief and poverty This book draws on a wide range of archival materials especially FBI files interviews and extensive reading from secondary sources to tell the story of Philip Olin Keeney and his wife Mary Jane who became part of the famed Silvermaster Spy Ring in the 1940s It paints a picture of two ordinary people who took an extraordinary path in life and while they were never charged and tried as spies were punished through blacklisting It also reveals the means by which the FBI investigated suspected spies through black bag jobs phone tapping and mail interceptions Spies compromise national security by stealing secrets but secrets can be defined to suit individual political designs and ambitions Philip and Mary Jane Keeney constantly tested the boundaries of free access to information to the point of risking disloyalty to their country but the American government responded in a manner that risked its democratic foundations

**What The Librarian Did** Karina Bliss, 2021-02-14 Is Rachel Robinson the only one on campus who doesn't know who Devin Freedman is No big deal except that the bad boy rock star gets a kick out of Rachel's refusal to worship at his feet And that seems to have provoked his undivided attention Devin the guy who gave new meaning to the phrase sex drugs and rock n roll Devin the guy who somehow becomes wedged between her and the past she's kept hidden for years It's up to the librarian to find out firsthand just how bad he really is Because her secret and her growing feelings for a man who claims he's bent on redemption depend on his turning out to be as good as he seems Which is really really good Romance readers have a noise we make when we mention a book that's tremendously good It's somewhere between a gasp and a sigh Smart Bitches Trashy Books Best Romance 2010 list posted on Kirkus Reviews I can't recommend this book highly enough Dear Author Devin definitely burns up the pages as a sexy man who retains enough of the bad boy to give the story an extra dash of fantasy Allaboutromance
