**This Light in Oneself** J. KRISHNAMURTI, ABOUT THE BOOK The nature of human consciousness man's inquiry into truth the importance of being a light to oneself and the true meaning of meditation silence enlightenment and the sacred are the focus of this compilation These excerpts from Krishnamurti's previously unpublished talks are remarkable for the rare and subtle perspectives they offer on these profound themes Seekers who are trying to find the true meaning of a religious life in the modern world will find in these pages questions and statements that help to intensify their search

**The Blavatskian and Biblical Roots of Krishnamurti's Imagined Role** Al Boag,2025-09-16 This book focuses on Jiddu Krishnamurti 1895 1986 and charts the development of his teaching It covers the period from 1922 when Krishnamurti claimed he was God until his death including his declarations to be the World Teacher and eventual departure from the Theosophical Society The author explores the understanding transmitted to Krishnamurti by his mentors as an inheritance from Helena Petrovna Blavatsky 1831 1891 the Theosophical Society co founder who is associated with the practice of occult breathless meditation This book highlights that Krishnamurti's writings and talks reveal his unacknowledged appropriation of the vocabulary of profound biblical motifs It considers how Krishnamurti fashioned his life and teaching on the New Testament Gospels composite biography of Jesus and on biblical eschatological and Christological texts The study will be of particular interest to students and scholars of esotericism new religious movements and the history of religions

**This Light in Oneself** J. Krishnamurti,1999-03-16 A leading spiritual teacher of the twentieth century presents meditation as a tool for better understanding not just ourselves but the world around us These selections present the core of Krishnamurti's teaching on meditation taken from discussions with small groups as well as from public talks to large audiences His main theme is the essential need to look inward to know ourselves in order really to understand our own and the world's conflicts We are the world says Krishnamurti and it is our individual chaos that creates social disorder He offers timeless insights into the source of true freedom and wisdom

In these talks given in Europe and India Krishnamurti goes into the importance of going into problems openly without conclusions because we approach our problems partially through all these various forms of conditioning it seems to me that we are there by not understanding them I feel that the approach to any problem is of much more significance than the problem itself and that if we could approach our many difficulties without any particular form of conditioning or prejudice then perhaps we would come to a fundamental understanding of them A next extensive compendium of Krishnamu

rtist talks and discussions in the USA Europe India New Zealand and South Africa from 1933 to 1967 the Collected Works have been carefully authenticated against existing transcripts and tapes Each volume includes a frontispiece photograph of Krishnamurti with question and subject indexes at the end The content of each volume is not limited to the subject of the title but rather offers a unique view of Krishnamurti's extraordinary teachings in selected years The Collected Works offer the reader the opportunity to explore the early writings and dialogues in their most complete and authentic form *Contemplative Literature* Louis Komjathy, 2015-08-31

An anthology of primary texts on meditation and contemplative prayer from a wide range of religious traditions This is the first theoretically informed and historically accurate comparative anthology of primary texts on meditation and contemplative prayer Written by international experts on the respective texts and corresponding traditions *Contemplative Literature* provides introductions to and primary sources on contemplative practice from various religious traditions The contributors explore classical Daoist apophatic meditation Quaker silent prayer Jewish Kabbalah Southern Buddhist meditation Sufi contemplation Eastern Orthodox prayer Pure Land Buddhist visualization Hindu classical Yoga Dominican Catholic prayer Daoist internal alchemy and modern therapeutic meditation Each introduction to a contemplative text discusses its historical context the associated religious tradition and literature the method of contemplative practice and the text's legacy and influence Volume editor Louis Komjathy opens the work with a thoughtful consideration of interpretive issues in the emerging interdisciplinary field of contemplative studies Readers will gain not only a nuanced understanding of important works of contemplative literature but also resources for understanding contemplative practice and contemplative experience from a comparative and cross cultural perspective We have not seen anything this bold and this global since Friedrich Heiler wrote his classic study on the typology of prayer over eighty years ago Komjathy and his essayists have vastly expanded the scope depth and sophistication of this project here In the process they have struggled with all of the critical questions around religious pluralism tradition and religious authority and have emboldened the comparative project itself Contemplation and comparison it turns out go very well together Jeffrey J Kripal author of *Comparing Religions Coming to Terms Teachers and scholars undergraduate and graduate students and general readers interested in contemplative practice will cherish a book like this I'm happy that Louis Komjathy has done this great work It will undoubtedly be hailed as a milestone* Ruben L F Habito author of *Healing Breath Zen for Christians and Buddhists in a Wounded World* **J.
