Catalog of Copyright Entries, Third Series Library of Congress. Copyright Office, 1980 Includes index    **The Battle of the Bees and Other Stories** Margaret Sperry, Carl Ewald, Lily R. Phillips, 1977-01-01 Seven stories about small plants and animals reveal the delicate balance of nature    **Clearing in the Sky & Other Stories** Jesse Stuart, 1984-05-03 Here are twenty one tales from Kentucky's inimitable and beloved storyteller Jesse Stuart. Full of high rambunctious humor quick paced as a mountain square dance bright as a maple tree against an October hill these stories are Stuart in his best form the form that has made him one of the most widely read authors in America. Read here about the man who coveted a steam shovel and stole it piece by piece or about the celebrated eating contest between Sam Whiteapple and the game rooster or about the hill farmer who wanted to clear and farm one last spot of new ground before he died. Although he has a sharp eye for human foibles and infirmities Stuart never fails to write of his people with affection or to see that justice is done them. Originally published in 1950 Clearing in the Sky was inadvertently declared out of print after three years and never reprinted. Now for Jesse Stuart's many readers it is once more available with an appreciative foreword by Ruel Foster    **Hazel**

**Squirrel And Other Stories** Samuel E. Lowe, 2023-07-15 Hazel Squirrel and Other Stories is a collection of charming tales centered around the adventures of various animal characters. The first story follows Hazel Squirrel and her friend Bushy Tail as they embark on a quest to find a mythical tree where all kinds of nuts grow together. Their journey takes them through the city and into the countryside where they encounter various challenges and make new friends including Mrs Red Squirrel and Mr Bat. The story highlights themes of curiosity, friendship, and the importance of home. In another tale a raccoon named Coonie observes a group of boys disturbing a bumble bees nest. The story explores the consequences of human actions on nature and the interconnectedness of all living beings. Coonie learns about the role of bees in the ecosystem and the importance of respecting wildlife. The final story introduces Pinkie Whiskers a young rat who along with his family moves from the city to the countryside. Pinkie Whiskers adventures include encounters with a woodchuck named Sammy and a Tree Fairy trapped in a tree. Through these interactions Pinkie learns valuable lessons about bravery, kindness, and the significance of helping others. Each story in the collection is imbued with moral lessons and whimsical elements making it both entertaining and educational for young readers. The narratives emphasize the virtues of courage, empathy, and the joy of discovery all set against the backdrop of the animal kingdom    **British Museum Catalogue of printed Books**, 1884
