The Beasts Of Delphos:

The Beasts of Delphos Warren Ockrassa,2003-09-01 In a distant human future on a planet covered with jungle and orbiting twin suns Barris is a young slave at a mine As he learns and grows he finds success beyond his greatest hopes love beyond his fondest dreams and a beast beyond his worst nightmares Can Barris defeat the beast and can he possibly make a life for himself in a world where his body isn t his own This is a coming of age story with gay themes **Pit Bull** Bronwen Dickey,2016-05-10 The hugely illuminating story of how a popular breed of dog became the most demonized and supposedly the most dangerous of dogs and what role humans have played in the transformation When Bronwen Dickey brought her new dog home she saw no traces of the infamous viciousness in her affectionate timid pit bull Which made her wonder How had the breed beloved by Teddy Roosevelt Helen Keller and Hollywood s Little Rascals come to be known as a brutal fighter Her search for answers takes her from nineteenth century New York City dogfighting pits the cruelty of which drew the attention of the recently formed ASPCA to early twentieth century movie sets where pit bulls cavorted with Fatty Arbuckle and Buster Keaton from the battlefields of Gettysburg and the Marne where pit bulls earned presidential recognition to desolate urban neighborhoods where the dogs were loved prized and sometimes brutalized Whether through love or fear hatred or devotion humans are bound to the history of the pit bull With unfailing thoughtfulness compassion and a firm grasp of scientific fact Dickey offers us a clear eyed portrait of this extraordinary breed and an insightful view of Americans relationship with their dogs

The River and the Dream Raymond F. Jones,2015-05-29 All his life Manvar has had a dream One day he will escape the harshly primitive blizzard torn lands of the north He will follow the paths of the Ancients and see for himself the fabled lands of the south lands without ice and snow and perpetual night lands of warmth and light where life is easy and comfortable within walled cities of incredible beauty Manvar follows his dream but finds it hollow Life in the wondrous city of Delphos is not the paradise it seemed

The Broadview Anthology of Sixteenth-Century Poetry and Prose Marie Loughlin,Sandra Bell,Patricia Brace,2011-10-24 The Broadview Anthology of Sixteenth Century Poetry and Prose makes available not only extensive selections from the works of canonical writers but also substantial extracts from writers who have either been neglected in earlier anthologies or only relatively recently come to the attention of twentieth and twenty first century scholars and teachers Popular fiction and prose nonfiction are especially well represented including selections from popular romances merchant fiction sensation pamphlets sermons and ballads The texts are extensively annotated with notes both explaining unfamiliar words and providing cultural and historical contexts

Little Ohio Kieran Robertson,2019-11-26 Ohio s small towns have great stories Little Ohio presents 100 of the state s tiniest towns and most miniature villages With populations under 500 these charming and unique locations dot the entire state from Lake Seneca in the Northwest corner to Neville bordering the Ohio River and the state of Kentucky Little Ohio even ventures into Lake Erie telling the story of Put in Bay The selected locations help readers to appreciate the broader history of small town life in Ohio

Yet each featured town boasts a distinct narrative as unique as the citizens who call these places home. Some villages offer hundreds of years of history such as Tarlton laid out before Ohio had even gained statehood. Others were built with more expedience such as Yankee Lake a town that was incorporated simply so its founder could host dances on Sundays without breaking state law. With full color photographs fun facts and fascinating details about every locale it's almost as if you're walking down Main Street waving hello to folks who know you by name. These residents are innovators hard workers and most of all good neighbors. They're people who have piled into small school houses to wait out roaring flood waters rebuilt after disastrous fires took their homes and captured bandits straight out of the Wild West. Little Ohio written by lifelong resident Kieran Robertson is for anyone who grew up in a small town and for everyone who takes pride in being called an Ohioan. It's one book with one hundred places to love.
