## **The Laura Riding Jackson Reader:**

The Laura (Riding) Jackson Reader Laura (Riding) Jackson,Elizabeth Friedmann,2005 In a single volume the essential work of a major Modernist poet and thinker Some see Laura Riding and Laura Riding Jackson as virtually two separate writers the former a strikingly original Modernist poet and critic the latter a supposedly reclusive thinker on man and woman language meaning and truth However encountering her work in this rich cross section one discovers a remarkable consistency of theme developing throughout from the earliest poems and stories to the post poetic writings of her final years The selections presented here span sixty four years 1923 1987 and include famous works of poetry and prosesome long out of print or difficult to findsignificant lesser known writings and an important previously unpublished late essay Body Mind and the Linguistic Ultimate    The Failure of Poetry, the Promise of Language Laura (Riding) Jackson,2007 Brings together four decades of largely unpublished work by Jackson exploring the rationale for her renunciation of poetry in 1941 after two decades as a poet    A Selection of the Poems of Laura Riding Laura (Riding) Jackson,Laura Riding,1994 In 1970 Laura Riding Jackson published with Faber her Selected Poems in five sets presenting a clutch of poems readers for the first time in the three decades since she renounced poetry an act which challenges her readers still In 1980 a new edition with an important introduction of the 1938 The Poems of Laura Riding was published by Carcanet The poet said My work poetic and other early and later has no allegiances private social cultural The point of it is not modernism but What Further In 1993 First Awakenings The Early Poems added substantially to the oeuvre Now poet critic and novelist Robert Nye long time advocate of the poems makes this substantial new introductory selection    ,    First Awakenings Laura (Riding) Jackson,1992 Rediscovering these poems of her youth Laura Riding Jackson saw in them a precise anticipation of an envisaged whole of poetry Readers will find here the same confident authorial presence that permeates the self determining canon of her poetic work which she identified as her Collected Poems of 1938 reprinted in 1980 by Persea as The Poems of Laura Riding many of the themes developed in her later work and a characteristic freshness of vision and scrupulosity of word use These poems are experiments in what poetry can do They are early stepping stones on the path that led Laura Riding Jackson ultimately to a realization of what poetry cannot do Those familiar with the poetry of Laura Riding will read First Awakenings with the delight of enlarged recognition and those approaching it as an introduction to her work will find direction for the mind s journey **BOOK JACKET**    **A Mannered Grace** Elizabeth Friedmann,2005-01-01 A decade in the making and eagerly anticipated here is the authorized biography written by the woman Laura Riding Jackson took into her confidence Elizabeth Friedmann met Laura Riding Jackson in 1985 after five years of correspondence and worked with her until her death in 1991 From the vantage point of a close friend and with access to all of Riding Jackson s papers Friedmann now sheds new light on the life and work of one of the most important yet perplexing figures in American and British literary history With fascinating detail Friedmann recreates the writer and her world We share a young Laura s excitement when in

the early 1920s her poems attract the attention of John Crowe Ransom and Allen Tate We recognize her sense of destiny when she goes to England and begins her productive collaboration with Robert Graves Friedmann shows the life and world circumstances that led to such historic works as *A Survey of Modernist Poetry* written with Graves and the *Collected Poems* of 1938 She takes us into Laura's diverse circle of associates that included Hart Crane Gertrude Stein and Virginia Woolf So intimate is this portrait that the scandals of Riding Jackson's personal and professional life her three life with Graves and Nancy Nicholson her attempted suicide her role in the breakup of Schuyler Jackson's first marriage and her renunciation of poetry are demystified put into perspective made understandable Friedmann shows that Riding Jackson was not a divided woman as some have said Rather she maintained a mannered grace and possessed an inner consistency of thought and purpose Beautifully written fair minded and compassionate *A Mannered Grace* humanizes a complex and often demonized figure and allows for a reassessment of her remarkable achievement

**Laura Riding** Laura (Riding) Jackson, 1993 Laura Riding Jackson is recognized as one of America's great modernist poets although she renounced the writing of poetry in 1941 viewing poetry as blocking truth's ultimate verbal harmonies First published in England in 1970 and long out of print *Selected Poems In Five Sets* includes sixty one poems personally selected and arranged by the author Drawn from her *Collected Poems* of 1938 this is a remarkable distillation of Laura Riding's poetic achievement The extraordinary preface is perhaps Laura Riding Jackson's most succinct explanation of her renunciation of the writing of poetry and is a provocative commentary on the contemporary poetry scene Persea Books
