established Philadelphia family he was a sportsman and gentleman of the same social class and shared her love of travel From the late 1880s until 1902 he suffered acute depression and the couple ceased their extensive travel At that time his

depression manifested as a more serious disorder after which they lived almost exclusively at The Mount their estate designed by Edith Wharton In 1908 her husband s mental state was determined to be incurable She divorced him in 1913 Around the same time Edith was overcome with the harsh criticisms leveled by the naturalist writers Later in 1908 she began

an affair with Morton Fullerton a journalist for The Times in whom she found an intellectual partner In addition to novels Wharton wrote at least 85 short stories She was also a garden designer interior designer and taste maker of her time She wrote several design books including her first published work The Decoration of Houses of 1897 co authored by Ogden

childhood and early adulthood were thought to survive Bahlmann who would become Wharton s literary secretary and confidant emerges in the letters as a seminal influence closely guiding her precocious young student s readings translations

and personal writing Taken together these letters written over the course of forty two years provide a deeply affecting portrait of mutual loyalty and influence between two women from different social classes This correspondence reveals Wharton s maturing sensibility and vocation and includes details of her life that will challenge long held assumptions about her formative years Wharton scholar Irene Goldman Price provides a rich introduction to *My Dear Governess* that restores Bahlmann to her central place in Wharton s life *Henry James and Edith Wharton* Henry James,Lyall Harris Powers,Edith Wharton,1990

Reading the Letters of Edith Wharton Annette Zilversmit,1991 **Brought Up For Each Other** Susan Barile,2016 **Edith Wharton** Janet Goodwyn,Janet Beer,1990 A study of Wharton s work which discusses her novels and travel books according to their specific geography or landscape rather than the date of composition Emphasis is placed on Wharton s concern with America s place in the Western world and women s place in European society *Edith Wharton's Letters from the Underworld* University of North Carolina Press,1991 **American Writers in Europe** F. Asya,2013-10-03 These essays explore the impartial critical outlook American writers acquired through their experiences in Europe since 1850 Collectively contributors reveal how the American writer s intuitive sense of freedom coupled with their feeling of liberation from European influences led to intellectual independence in the literary works they produced *The Book of Love* ,1996 The late John Cheever once insisted that saving a letter is like trying to preserve a kiss Luckily for us the loved ones of great writers ranging from Sappho to Anne Sexton from Anton Chekhov to Mr Cheever himself have ignored that clever dictum In more than one hundred of the most powerful witty wicked and whimsical letters ever written we chronicle passion s erratic

progress Why should Marcus Aurelius's amorous words sit side by side with John Steinbeck's letter to the woman who inspired much of his late work Distinguished scholar Cathy Davidson argues that the love letter is a form of literature all its own a genre whose language may have changed from ancient Rome to twentieth century America but whose basic form and content remain the same For if all literature is a kind of seduction then the love letter becomes the perfect vehicle for writers to hone their seductive skills With novelistic flair Ms Davidson has arranged these letters as though they were all part of one romance a romance in which any of us may have played a part From the joy of Falling in Love to the pain of Unrequited Love we chart the evolution of that most hard to define emotion These pages are filled with glorious examples of writers being just like the rest of humanity to wit willing to stake so much on what at times seems like nothing more than a promise and an act of faith How delightful to discover the master of light verse Ogden Nash writing tenderly to a woman he first saw across a crowded room nine months earlier This is a particularly gifted and intelligent pen Look what it's writing now I love you That's a phrase I can't get out of my head but I don't want to I wanted to try it out for a long time I like the look of it and the sound of it and the meaning of it Of course what writers do better than anyone else is to write about love Through Ms Davidson's deft touch *The Book of Love* becomes a treasure trove of literary discovery She *Civil Wars* Susan Goodman, 2003-06-02 In a work that recovers the broader meaning of manners for past generations Susan Goodman demonstrates that American writers have consistently tied the subject of national identity to the norms and behaviors of everyday life that in fact the novel of manners is a dominant form of American fiction *A Common Life* David Laskin, 1994 Edith Wharton was nearly forty rich and unhappily married when she met the sixty year old Henry James in London in 1903 His thunderous advice to Do New York steered her toward her first triumph with *The House of Mirth* *American Studies*, 2001 *Portraits of a Lifetime* Jacques-Emile Blanche, 1937 Companion to *More portraits of a lifetime* *Letters of the Century* Lisa Grunwald, Stephen J. Adler, 1999 In more than 400 letters from both famous figures and ordinary citizens LETTERS OF THE CENTURY encapsulates the people and places events and trends that shaped our nation during the last hundred years In these pages our century's most celebrated figures from Mark Twain to Albert Einstein Charlie Chaplin to Franklin Roosevelt become everyday people and everyday people become part of history Here is a veteran's wrenching letter left at the Vietnam Wall a poignant correspondence between two women trying to become mothers a heartbreak letter from an AIDS sufferer telling his parents how he wants to be buried and an indignant e mail from a PC user to his on line server Arranged chronologically by decade illustrated with over a hundred photographs LETTERS OF THE CENTURY creates an extraordinary chronicle of our history through the voices of the men and women who have lived its greatest moments
