## The Levels:

*Facts, Conventions, and the Levels of Selection* Pierrick Bourrat, 2021-09-23 Debates concerning the units and levels of selection have persisted for over fifty years One major question in this literature is whether units and levels of selection are genuine in the sense that they are objective features of the world or merely reflect the interests and goals of an observer Scientists and philosophers have proposed a range of answers to this question This Element introduces this literature and proposes a novel contribution It defends a realist stance and offers a way of delineating genuine levels of selection by invoking the notion of a functional unit
