**Research Anthology on Music Education in the Digital Era** Management Association, Information Resources, 2022-02-11 Music is a vital piece of life that not only allows individuals a chance to express themselves but also an opportunity for people and communities to come together. Music has evolved in recent years as society turns toward a digital era where content can be shared across the world at a rapid pace. Music education and how it is spread has a number of possibilities and opportunities in this new era as it has never been easier for people to access music and learn. Further study on the best practices of utilizing the digital age for music education is required to ensure its success. The Research Anthology on Music Education in the Digital Era discusses best practices and challenges in music education and considers how music has evolved throughout the years as society increasingly turns its attention to online learning. This comprehensive reference source also explores the implementation of music for learning in traditional classrooms. Covering a range of topics such as music integration, personalized education, music teacher training, and music composition, this reference work is ideal for scholars, researchers, practitioners, academicians, administrators, instructors, and students.

**Your Curriculum Companion:** Libby Woodfin, Suzanne Nathan Plaut, Sarah Boddy Norris, 2021-02-01 This essential guide to the EL Education 6-8 Language Arts Curriculum is one part roadmap to the curriculum, one part orientation to its instructional practices, and one part coach to answer your questions, relieve your stress, and put you and your students on the path to success. Your Curriculum Companion explores the foundations of the curriculum, including the principles and research it was built on, and the instructional practices that make it unique. The book is designed to help you look under the hood at practices embedded throughout the curriculum so that you can sharpen your instruction, support students to be leaders of their own learning, and make well-informed changes to best meet your students' needs. Key features of Your Curriculum Companion include Twenty-two accompanying videos, see the curriculum in action, Task cards for guidance on how to plan when the planning has been done for you, A deep dive into the purpose and structure of close reading, including a sample annotated lesson, An exploration of the relationship between reading and writing, and how the curriculum is designed to help students become strong communicators, including an annotated read-think-talk-write lesson, The why, what, and how of supporting students to meet grade level expectations, supporting students who need additional challenges, and supporting English language learners. Guidance for turning evidence of student progress into usable data that can inform your instruction, Support for school leaders.
