Quantitative Value Wesley R. Gray,Tobias E. Carlisle,2012-11-29 A must read book on the quantitative value investment strategy Warren Buffett and Ed Thorp represent two spectrums of investing one value driven one quantitative Where they align is in their belief that the market is beatable This book seeks to take the best aspects of value investing and quantitative investing as disciplines and apply them to a completely unique approach to stock selection Such an approach has several advantages over pure value or pure quantitative investing This new investing strategy framed by the book is known as quantitative value a superior market beating method to investing in stocks Quantitative Value provides practical insights into an investment strategy that links the fundamental value investing philosophy of Warren Buffett with the quantitative value approach of Ed Thorp It skillfully combines the best of Buffett and Ed Thorp weaving their investment philosophies into a winning market beating investment strategy First book to outline quantitative value strategies as they are practiced by actual market practitioners of the discipline Melds the probabilities and statistics used by quants such as Ed Thorp with the fundamental approaches to value investing as practiced by Warren Buffett and other leading value investors A companion Website contains supplementary material that allows you to learn in a hands on fashion long after closing the book If you re looking to make the most of your time in today s markets look no further than Quantitative Value *Investors Chronicle* ,2006

The Warren Buffett Philosophy of Investment: How a Combination of Value Investing and Smart Acquisitions Drives Extraordinary Success Elena Chirkova,2015-04-10 Revealed The secret behind Warren Buffett s 20% return rate over 60 YEARS The Warren Buffett Philosophy of Investment reveals for the first time how the world s 1 investor combines his trademark value investing with a unique approach to

mergers and acquisitions The huge interest in Warren Buffett stems from the challenge to understand his history of earning more than 20% on capital annually during the last 60 years Modern financial theory does not allow for this degree of success nor has anyone else been able to replicate it The book argues that Buffett s secret can be explained only if one looks beyond the theory of investing The author sees the major drivers of his success as the transformation of Mr Buffett s name into a super brand of mergers and acquisitions as well as his hands off policy with respect to the acquired companies As a result Buffett enjoys numerous opportunities to buy first class companies at moderate prices and keeps the existing good managers responsible for further value creation Elena Chirkova is a professor of finance in the Higher School for Economics in Moscow and was previously Head of Corporate finance for Deloitte s office in Russia Value Investing Greenwald,2001-12-01

Strategic Value Investing (PB) Stephen Horan,Robert R. Johnson,Thomas Robinson,2013-10-18 Benjamin Graham referred to it as his margin of safety Seth Klarman favors it over all other investment methods Warren Buffett uses it to make millions for his investors It s called value investing and you can make it work wonders for your portfolio All you need is money to invest a little patience and this book Strategic Value Investing reveals everything you need to know to build a world class portfolio using value investing as your north star Written by experts on valuation and financial analysis this comprehensive guide breaks it all down into an easy to implement process The authors explain the ins and outs of determining when a stock is undervalued then purchasing it and selling it for a profit when the rest of the world learns what you knew all along With Strategic Value Investing you ll learn how to Distinguish between the various measures of value including going concern replacement value fair market value book value and intrinsic value Identify undervalued companies before everyone else and know what to look for what to avoid when to buy and when to sell The authors teach you how to establish a dispassionate value investing philosophy tailored to your needs Equally important they provide the tools you need to adhere to this often contrarian approach regardless of your emotions or crowd sentiment Get in before the crowd and get out when the price is right with Strategic Value Investing Praise for Strategic Value Investing A book that has much the same character as a good value investor calm disciplined with a grasp both of broad theory and of how to apply it JOHN AUTHERS senior investment columnist Financial Times This comprehensive look at valuation techniques is not only insightful but can be easily put to use by individual and professional investors alike CHARLES ROTBLUT CFA Vice President the American Association of Individual Investors Offers a sound fundamental perspective for those looking to deepen their analysis around stocks A great resource for all types of value investors HEATHER BRILLIANT CFA global head of equity research at Morningstar and member of the CFA Institute Board of Governors This book is of Real Value It updates the pioneering work of Ben Graham and Phillip Fisher blending the valuation techniques of the masters such as Warren Buffett and provides institutional and individual investors the A to Z of value investing from a practitioner perspective JOHN MAGINN CFA EVP CIO Mutual of Omaha retired and coeditor of Managing Investment Portfolios An actionable road map for implementing a

disciplined value investing strategy Very much in the Ben Graham style The sophisticated individual investor will find this comprehensive digest a continual and timeless reference WALLACE FORBES CFA President of Forbes Investors Advisory Institute Division of Forbes magazine Many books propose to help you learn how to become a better value investor This one which is bound to become a staple of every value investor's library delivers on its promise ROBERT POWELL editor of Retirement Weekly and columnist of MarketWatch More Money Than God Sebastian Mallaby,2011-05-03 Wealthy powerful and potentially dangerous hedge fund managers have emerged as the stars of twenty first century capitalism Based on unprecedented access to the industry More Money Than God provides the first authoritative history of hedge funds This is the inside story of their origins in the 1960s and 1970s their explosive battles with central banks in the 1980s and 1990s and finally their role in the financial crisis of 2007 9 Hedge funds reward risk takers so they tend to attract larger than life personalities Jim Simons began life as a code breaker and mathematician co authoring a paper on theoretical geometry that led to breakthroughs in string theory Ken Griffin started out trading convertible bonds from his Harvard dorm room Paul Tudor Jones happily declared that a 1929 style crash would be total rock and roll for him Michael Steinhardt was capable of reducing underlings to sobs All I want to do is kill myself one said Can I watch Steinhardt responded A saga of riches and rich egos this is also a history of discovery Drawing on insights from mathematics economics and psychology to crack the mysteries of the market hedge funds have transformed the world spawning new markets in exotic financial instruments and rewriting the rules of capitalism And while major banks brokers home lenders insurers and money market funds failed or were bailed out during the crisis of 2007 9 the hedge fund industry survived the test proving that money can be successfully managed without taxpayer safety nets Anybody pondering fixes to the financial system could usefully start here the future of finance lies in the history of hedge funds Value Investing Made Easy: Benjamin Graham's Classic Investment Strategy Explained for Everyone Janet Lowe,1997-11-22 The investment theories of Ben Graham author of Security Analysis have never been more popular Now Janet Lowe delivers a new book that provides an easy accessible way to use Graham's classic but complex investment theories In addition to presenting Graham's teachings in a readily understandable way Lowe includes examples of how Warren Buffett and other disciples have used the principles Illustrations **More Mortgage Meltdown** Whitney Tilson,Glenn Tongue,2009-05-11 A clear look at how to capture investment profits during difficult financial times The U S economy has become crippled by the credit and real estate catastrophe Even though we've all been affected by the calamity and have heard no shortage of news about it it still seems unfathomable and utterly incomprehensible to most people that the actions of certain mortgage brokers bankers ratings agencies and investment banks could break the economic engine of the world Now for the first time and in terms everyone can grasp noted analysts and value investing experts Whitney Tilson and Glenn Tongue explain not only how it happened but shows that the tsunami of credit problems isn't over The second wave has yet to come But if you know catastrophe is looming you can sidestep the train

wreck and even profit You just need to understand how bad times present opportunity and where to look More Mortgage Meltdown can help you achieve this goal The book Breaks down the complex mortgage products and rocket science securities Wall Street created Addresses how to find investment opportunities within the rubble and position your portfolio to take advantage of the crisis Explains exactly how the combination of aggressive lending government missteps and Wall Street trading practices created the perfect economic storm Shows you why the crisis is not yet over and what we can expect going forward More Mortgage Meltdown can help you understand the events that have unfolded and put you in a better position to profit from the opportunities that arise during these tough financial times **Journal of Applied Corporate Finance** ,2006
