IN THE LIGHT OF TRUTH - GREAT EDITION 1931 - UK version ABDUSCHIN,2010-07-06 This book is a translation of the original 1931 German edition The English translation of The Grail Message 1931 edition you ll get was published in 1934 It could be called a more British translation Many words used in this translation are from the most common British but it also uses old English words This book is novel format 6 x 9 15 24 x 22 86 cm and has a hard cover

State of Nature, Stages of Society Frank Palmeri,2016-03-29 Frank Palmeri sees the conjectural histories of Rousseau Hume Herder and other Enlightenment philosophers as a template for the development of the social sciences in the nineteenth and early twentieth centuries Without documents or memorials these thinkers he argues employed conjecture to formulate a naturalistic account of society s commercial and secular progression Palmeri finds evidence of speculative frameworks in the political economy of Malthus Martineau Mill and Marx He traces the influence of speculative thought in the development of anthropology and ethnography in the 1860s the foundational sociology of Comte and Spencer and the sociology of religion pioneered by Weber Durkheim and Freud Conjectural histories reveal a surprising ambivalence toward progress modernity and secularization among leading thinkers of the time an attitude that affected texts as varied as Darwin s Descent of Man Nietzsche s Genealogy of Morality and the novels of Walter Scott George Eliot and H G Wells Establishing the critical value of conjectural thinking in the study of modern forms of knowledge Palmeri concludes his investigation with its return in the work of Foucault and in recent histories on early religion political organization and material life **Theory**

of Nature and Mode of Production Wolfgang Lefèvre,2026-01-01 This book is the first English translation of a German classic in the social historical historiography of science in the early modern period It presents a reconstruction of the Scientific Revolution based on a critical historical materialism It argues that the dominant ideas images and philosophies of nature of that time were conditioned by humans practical and technological relationship with nature and that they changed in accordance with the historical development of early capitalist society Against economic reductionism Lef v re stresses the interdependence of material conditions of life and theories of nature on the basis of a critical study of sources and historical contexts The book makes available an important study with related texts and contributes to the current debates on the intersection of historical and political epistemology The series editors provide a conceptual and contextual introduction including information on the political epistemological background of the book first published in 1978 The Nature Fakers Ralph H. Lutts,2001 Ultimately as Ralph Lutts demonstrates in The Nature Fakers the dialogue resulted in a new standard of accuracy for the responsible nature writer and reflected a new way of thinking about moral responsibilities to wildlife
