series is paired with a carefully annotated catalogue of Biblical commentaries available in his day This book is invaluable both to students of the Bible and pastors looking to expand their library of scriptural reference works Spurgeon lists commentaries of specific Biblical books as well as the whole Bible many of which are still in use today Especially helpful are the crisp and instructive comments Spurgeon attaches to each reference work in his catalogue This exhaustive listing of secondary resources is both a compendium of useful knowledge and a revealing and sometimes amusing look into the mind of the great preacher      *An Exposition of Philippians* Tim James,2023-06-27 In 1978 Tim James sold his butcher shop in Ogburn Station NC and moved with his wife Debbie to Cherokee North Carolina A small group on the reservation had invited him to pastor their church Over 42 years later Tim continues to pastor at Sequoyah Sovereign Grace Baptist Church For all of those years Tim has preached expositarily through books of the Bible having preserved his notes in large three ring binders Although visitors to his home have seen them none had read them In 2018 a pastor friend asked Tim if he could use his notes for reference in his expositions through a book of the Bible at his church Astounded at the narrative style in which he had written them along with their simplicity he could not keep them secret As a result Tim has graciously given

permission for his entire library of notes to be scanned and published You need not expect his expositions to be a lesson in history from the Old Testament nor a list of goals for posting to your refrigerator from the New Testament No matter the book or text reference on which you read Tim s expositions Old Testament or New Testament you will rejoice as you read of the glorious faithfulness and work of the Lord Jesus Christ for God s elect In simple but profound everyday language you will be comforted in reading of Christ s fulfillment of God s law on behalf of the elect Whether you read his expositions of the Old Testament or New Testament you will see the revelation of Christ the justification of his elect through his imputed righteousness and the glorious liberty and freedom he has obtained for them In speaking of the true Christian experience of grace from his own experience of gospel freedom in Christ Tim s writings may well cause you to pump your fist and declare That is me God s revelation of his electing grace in Christ has enabled Tim to write a commentary that captures the spirit and
