**Poems of Praise and Inspiration** Carrie B. Harris, 2015-01-16 Human beings have many issues and problems in life which are normal and need encouragement love and inspiration These poems were written with much love thought and prayer and strive to help those who need it

**Everyday Encounters with the Lord** Tony Elder, 2018-09-11 This inspiring daily devotional will challenge you to grow in your relationship with the Lord while allowing Him to transform you into the Christlike person He calls you to be Enhance your personal moments with God each day by being reminded of vital biblical truths which can be found imbedded in our everyday experiences Hear God speaking through interactions with grandchildren nature the day's headlines holiday gatherings and all the other common occurrences in life Let these readings point you to further study in God's Word lead you to seeking God in prayer and guide you into greater service for His kingdom Here's an excerpt from one of those daily messages Last weekend when I first saw a news report about a missing husband and wife I thought it was an unfortunate and potentially tragic situation But when I realized I actually knew the couple that we had been fellow church members with this nice lady many years ago the story really hit home So I kept checking the news throughout the day to receive updates on the search for these missing persons Isn't that the way it often goes We may hear about certain people their situations and predicaments We may respond with some degree of slight interest to genuine concern But when it involves somebody we know our own family or ourselves it really gets our attention and has a bigger impact on us It reminds me of the time the prophet Nathan told King David about a man who had a great number of flocks and herds Once David realized this story was about him it deeply affected him leading to heartfelt confession and repentance Maybe there are some stories facts and truths in the Bible which we need to take more personally than we do The general statements may affect us to some degree but not as much as they should In many cases we need to realize it's talking about me and you When the Bible declares that God so loved the world that He sent His Son we should take it personally God loves you God cared enough about you to take such action You are the one When God's Word calls believers to love others and be holy He's talking to you When He commissions His followers to be His witnesses to be lights in a dark world and to share the gospel He is sending you You are the one If God's Word isn't moving us and affecting us very

deeply maybe it's because we're looking at it as more of a textbook to be studied rather than as a personal letter to be received. Read the Bible, see yourself in its truths and seek to hear what God wants to say to you. *Leaves from St.*
