Republican political operative Tim Miller answers the question no one else has fully grappled with Why did normal people go along with the worst of Trumpism As one of the strategists behind the famous 2012 RNC autopsy Miller conducts his own forensic study on the pungent carcass of the party he used to love cutting into all the hubris ambition idiocy desperation and self deception for everyone to see In a bracingly honest reflection on both his own past work for the Republican Party and the contortions of his former peers in the GOP establishment Miller draws a straight line between the actions of the 2000s GOP to the Republican political class s Trumpian takeover including the horrors of January 6th From ruminations on the mental jujitsu that allowed him as a gay man to justify becoming a hitman for homophobes to astonishingly raw interviews with former colleagues who jumped on the Trump Train Miller diagrams the flattering and delusional stories GOP operatives tell themselves so they can sleep at night With a humorous touch he reveals Reince Priebus neediness Sean Spicer s desperation Elise Stefanik and Chris Christie s raw ambition and his close friends submission to a MAGA psychosis Why We Did It is a vital darkly satirical warning that all the narcissistic justifications that got us to this place still thrive within the Republican party which means they will continue to make the same mistakes and political calculations that got us here with disastrous consequences for the nation
