Options Binaires Lance Carrière, 2017-03-25 Les options binaires sont d'excellents outils de trading qui permettent la mise en place de nombreuses stratégies diverses et variées et qui ne nécessitent pas forcément de disposer d'un capital d'investissement très important. Mais il est aussi important d'adopter en parallèle des stratégies permettant de maîtriser au maximum les risques de pertes. En effet, si le trading d'option binaire permet grâce au principe de tout ou rien de gagner beaucoup, il peut aussi, en cas de mauvaise sélection, nous faire perdre une grande partie de notre investissement initial. Pour vous aider à trader le plus efficacement possible, les options binaires sont couvertes ici par nos conseils en

Emmanuel, 2014-07-16 Binary Options Trading Techniques For Accurate Price Direction is an ebook that will be of great help to both the binary options traders and forex traders. The ebook contains a vivid explanation and description of different proven binary option trading strategies and the same strategies also work well in the forex market. Binary Option trading is a form of trading where the binary trader is expected to predict the direction of price in the binary option market and secure a win trade. It is a fact that merely looking at the binary option trading platform a trader may not be able to predict accurately the direction of price in the market without the use of a Binary Option Trading System. The ebook Binary Options Trading Techniques For Accurate Price Direction is written to help both binary option traders and forex traders to review the market, analyze the chart and predict price direction. This ebook will reveal to traders the Ultimate Indicator that is used to access the binary option market and determine price direction with absolute accuracy. In addition to the binary option trading system, the various trading strategies highlighted in the book and these will no doubt help traders to trade different types of binary option such as High Low or In Out One Touch No Touch Ladder Boundary binary options. Another unique part of the ebook is the vivid explanation and description of how to determine the exact trade execution time of an investment on the binary platform. In addition to this is how to determine the expiration time and the corresponding binary option type to trade. The user of this ebook will see the chapter on Money Management Strategy for binary options market useful in the areas of how to carry out your investment to record 100% or more on your trading account and how to estimate and take calculated risk. This material will enable both the binary option traders and forex traders who would be diligent enough to read and apply the different strategies and techniques highlighted in this book to become a successful binary option trader. Binary Option trading is a simple way of trading the market. However, binary option traders will need to know how to analyze the market chart to determine price direction and the exact time to start a trade investment on the binary platform. These boil down to having a consistent win trades which will ultimately make you a successful trader. Happy Trading

It is ideal for beginners who seek to acquire knowledge in a simple, clear and objective way with the aim of learning to trade in this market. Binary Options emerged in the United States of America in 2008 and quickly developed and globalized. It is a financial instrument that resembles sports betting but uses financial assets. Unlike other markets where we buy an asset such as the Stock Exchange here we only bet that the price of an asset will rise or fall in a given period of time that can be short 1 minute or long 1 hour 1 day 1 week etc. Since its inception Binary Options have evolved with the appearance of various products and ways of trading as well as various strategies and tools to support Binary Options. Although from an operating point of view they are much simpler than other markets such as the Stock Exchange or the Foreign Exchange Market FOREX it is still an investment with risks in which technical knowledge is essential as well as personal knowledge about how to behave in the investment world. This book seeks to teach the trader's triangle which is simply the union of the trader with the market and the trading tools. The book is divided into 4 chapters: 1. Know what Binary Options are and how they work. Know what Binary Options brokers or platforms are and how they work. How to trade, how to place a trade. And what types of Binary Options exist. 2. Rules and Discipline. All 20 important rules that a trader must know to know how to act in the market. Having discipline is essential to know what to do in each situation. Before knowing the market you have to know yourself and learn the rules that help you succeed. The rules address the following topics: nutrition, clear head, eliminating noise, tiredness, trader profile, respecting the strategy, trader evolution, analyzing trades, made risk management, knowing how to lose and know how to win when to stop on a bad day, when to stop on a good day, trader's goals, confidence, humility, being rigorous, persistence, patience, experience and consistency. 3. Trading in the News. Economic events tend to affect the markets. Learn the most important news and how to trade with the news. 4. Trading Strategies. Know and learn to use some of the strategies that work best in this market. Sometimes we have promotions on the purchase of the Book. Ask for your promotional code at <https://thebinaryoptionsblog.com>. **Market Conditions for Successful Forex and Binary Options Trading** Emegha Omoruyi Emmanuel, 2014-02-06 This book contains information that will increase traders' understanding of how the market works. It will help traders and beginners to understand chart analysis. The knowledge of the chart will definitely guarantee traders' success in the global financial market. It is a fact that chart is the sign language of the market and the knowledge of the chart will no doubt guarantee outstanding performance and good profit returns on investment in the market. So the trader that takes the time to learn and understand the sign language of the market. Charts will no doubt benefit from such skills in no small measure. That is to say such a trader has a lot to gain in terms of profit returns in the market. Therefore this book is a vital tool that every one that wants to make huge gain from their investments in the asset market must have. It contains different approaches to

chart analysis how to spot major market moves and reversal More so these are the knowledge that an average trade requires to make informed decision as to which direction is price moving to as is the case in Binary Options market and at what point he is to enter exit a trade as the case in Forex market The knowledge will make a better trader out of the reader of the book It will help both the Forex and Binary options traders to appreciate market chart and correctly analyze chart This will help both Forex and Binary Option traders make informed decisions eliminate negative trading emotion and to become disciplined traders The chart is the language of the market hence the need for traders to know how to carry out chart analysis The book also contains technical indicators used to identify certain area on the chart which usually signals possible market reversals The book is simply tips on how to trade the FX and Binary Option for maximum returns on investment The information is a simple daily trading nuggets for all traders This buttress the fact that both the binary options traders and forex traders need the full knowledge of the chart because their success lies in their understanding of the market chart To the binary options traders the ability to predict price direction correctly depends on the binary trader s ability to analyze market patterns on the chart while the forex trader needs the chart to determine his or her entry and exit points on any particular trade So needless to say that the knowledge of the chart is key to every decision traders make as regards trading This is why this little book is very very important to every trader that wants to succeed in the market
