Story Of A Great Schoolmaster:

The Story of a Great Schoolmaster H. G. Wells,2021-03-27 The Story of a Great Schoolmaster is a 1924 biography of Frederick William Sanderson 1857 1922 by H G Wells It is the only biography Wells wrote Sanderson was a personal friend having met Wells in 1914 when his sons George Philip Gip born in 1901 and Frank Richard born in 1903 became pupils at Oundle School of which Sanderson was headmaster from 1892 to 1922 After Sanderson died while giving a lecture at University College London at which he was introduced by Wells the famous author agreed to help produce a biography to raise money for the school But in December 1922 after disagreements emerged with Sanderson s widow about his approach to the subject Wells withdrew from the official biography published in 1923 as Sanderson of Oundle Wells wrote much of the text but the volume was published without listing an author and published his own work separately *The Story of a Great Schoolmaster: Being a Plain Account of the Life and Ideas of Sanderson of Oundle (1924) - a biography of Frederick William Sanderson* H. G. Wells,2016-09-14 This is H G Wells 1924 biography of Frederick William Sanderson The Story of a Great Schoolmaster Frederick William Sanderson 1857 1922 was the headmaster at Oundle School between 1892 1922 and was a an esteemed reformer of education at Oundle and Dulwich College Wells was a close friend of Sanderson s and even sent his own sons to his school Contents include Sanderson the Man The Modernisation of Oundle School The Replacement of Competition by Group Work The Re Establishment of Relations Between School and Reality The Growth of Sanderson Shown in His Sermons and Scripture Lessons The War and Sanderson s Propaganda of Reconstruction et cetera Herbert George Wells 1866 1946 was a prolific English writer who wrote in a variety of genres including the novel politics history and social commentary Today he is perhaps best remembered for his contributions to the science fiction genre thanks to such novels as The Time Machine 1895 The Invisible Man 1897 and The War of the Worlds 1898 Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this book now in an affordable modern high quality edition complete with a specially commissioned new biography of the author *The Story of a Great Schoolmaster* Herbert George Wells,1927 The Story of a Great Schoolmaster (Esprios Classics) H G Wells,2022-03-02 Herbert George Wells 21 September 1866 13 August 1946 was an English writer Prolific in many genres he wrote dozens of novels short stories and works of social commentary history satire biography and autobiography His work also included two books on recreational war games Wells is now best remembered for his science fiction novels and is often called the father of science fiction along with Jules Verne and the publisher Hugo Gernsback *Super Schoolmaster* Robert Scholes,David Ben-Merre,2021-01-01 Once described by T S Eliot as first and foremost a teacher and campaigner Ezra Pound has received no shortage of critical attention Super Schoolmaster suggests that Pound still has quite a bit to teach readers in the twenty first century particularly amid increasing threats to the humanities and higher education Robert Scholes and David Ben Merre illuminate Pound s contradictory career of innovative poetics and reactionary politics by following his extensive thinking about teaching and

learning within and beyond the academy Given how scornful Pound could be of institutionalized schooling the book's title may feel like a misnomer however Super Schoolmaster makes clear how wholeheartedly this modernist icon believed in the importance and vitality of learning Pound's brief flirtation with becoming a professional academic ended early on but his entire life's work can be seen as an immense pedagogical lesson promoting a living breathing culture tied to the very fabric of contemporary life Not to ignore his critics who have taught the necessity of reading against Pound Scholes and Ben Merre propose that to reread Pound now is to celebrate the joy of learning while always remaining mindful of the ultimate perils of his example **The Story of a Great Schoolmaster** Herbert George Wells, 1927 *The Story of a Great Schoolmaster* H G Wells, 2021-04-10

Of all the men I have met and I have now had a fairly long and active life and have met a very great variety of interesting people one only has stirred me to a biographical effort This one exception is F W Sanderson for many years the headmaster of Oundle School I think him beyond question the greatest man I have ever known with any degree of intimacy and it is in the hope of conveying to others something of my sense not merely of his importance but of his peculiar genius and the rich humanity of his character that I am setting out to write this book He was in himself a very delightful mixture of subtlety and simplicity generosity adventurousness imagination and steadfast purpose and he approached the general life of our time at such an angle as to reflect the most curious and profitable lights upon it To tell his story is to reflect upon all the main educational ideas of the last half century and to revise our conception of the process and purpose of the modern community in relation to education For Sanderson had a mind like an octopus it seemed always to have a tentacle free to reach out beyond what was already held and his tentacles grew and radiated farther and farther Before his end he had come to a vision of the school as a centre for the complete reorganisation of civilised life I knew him personally only during the last eight years of his life I met him for the first time in 1914 when I was proposing to send my sons to his school But our thoughts and interests drew us very close to one another I never missed an opportunity of meeting and talking to him and I was the last person he spoke to before his sudden death He was sixty six years of age when he died Those last eight years were certainly the richest and most productive of his whole career he grew most in those years he travelled farthest I think I saw all the best of him It is I think no disadvantage to have known him only in his boldest and most characteristic phase It saves me from confusion between his maturer and his earlier phases He was a much stratified man He had grown steadfastly all his life he had shaken off many habitual inhibitions and freed himself from once necessary restraints and limitations He would go discreetly while his convictions accumulated and then break forward very rapidly He had a way of leaving people behind and if I had fallen under his spell earlier I too might have been left far behind He was I recall a rock climber he was a mental rock climber also and though he was very wary of recalcitrance there were times when his pace became so urgent that even his staff and his own family were left tugging breathless and perplexed at the rope **The Rotarian**, 1924-10 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated

worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine
