**Gems and Jewelry Appraising** Anna M. Miller, 2012-12-06 Only a few years ago if you needed an appraisal of The revolution in the personal property appraisals gems and jewelry for any reason you asked your local field of which jewelry is a part is a little more than a jeweler who hastily scribbled a one line handwritten decade old There now exist uniform standards and note He or she usually performed the appraisal for procedures for personal property appraisers classes free and did so with reluctance accommodating you in valuation techniques and degree programs in the only because as a customer you held the promise of a valuation sciences future sale The price your jeweler may have assigned Professional jewelry appraisers are on the edge of to the jewelry was granted without the least regard a new vocation Banks insurance companies and for market research legalities or ethics In most in governmental agencies have all helped bring about stances the estimate was no more than a properly the changes and contribute to the birth of the profes completed sales receipt sion they have realized that they can demand and Gemologists were usually pushed into the role of get high standards of performance and integrity from appraiser by their jeweler employers who were eager jewelry appraisers as they can from appraisers of real to gain an advantage over their competitors by adver property      Soyala's Saga Richard Donahue, 2015-03-31 Author House Review The Sixth Coming is set within an original mythology to fascinating results It combines vividly realized characters with spiritual themes and elements of Aztec lore There is an incredible array of exciting sequences that could provide great material for adapting this work into another medium Due to the nontraditional structure and storytelling style live theater could be an interesting option Film is another option perhaps animation could make the most of the impressive locations creatures and spectacles There are several elements that are very well suited for a film or theater piece Because both these mediums usually feature the interactions between characters the strong personalities of The Sixth Coming are essential to capture Soyala is a great heroine from her borderline petulance over the Builders gift to her reluctant and confused acceptance of her destiny She isnt perfect which makes her all the more compelling as she overcomes overwhelming odds Kajika Burilgi and the Minstrel are wonderful supporting characters Each of these brothers has his own distinct personality and their squabbling provides comic relief Burilgi and the Minstrel in particular provide humor Kajika could bring in sex appeal for female audiences while Soyala and Xochiquetzal could do so for males

Xochiquetzal Tona teotl is a fascinating villain Her sinister sexuality when welcoming Soyala and Kajika could play very well in a film The later scenes on the Barge are thrilling due to Tona teotls increasingly evident madness These scenes would provide terrific moments for an actor to really chew up the scenery The Shield Maidens story begins with the reader being introduced to her loved ones Each character is well developed and had distinctive characteristics When bad things happen to them we also feel her loss We also learn more about how she came to be and how important loyalty is to her survival The places that this story takes us to are either incredibly beautiful or eerily foreboding The creatures in it are also very uniquely described and incredibly different from the mundane realm that we currently inhabit **The Sixth Coming** Richard
