*Investigation of the Assassination of President John F. Kennedy* United States. Warren Commission, 1964 Warren Commission hearings     **The Road to Dallas** David Kaiser, 2009-11-30 Neither a random event nor the act of a lone madman the assassination of President John F Kennedy was an appalling and grisly conspiracy This is the unvarnished story With deft investigative skill David Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government s campaign against organized crime which began in the late 1950s and accelerated dramatically under Robert Kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate Fidel Castro The seeds of conspiracy go back to the Eisenhower administration which recruited top mobsters in a series of plots to assassinate the Cuban leader The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions The agency s links with the Mafia continued in the Kennedy administration although the President and his closest advisors engaged in their own efforts to overthrow Castro thought this skullduggery had ended Meanwhile Cuban exiles right wing businessmen and hard line anti Communists established ties with virtually anyone deemed capable of taking out the Cuban premier Inevitably those ties included the mob The conspiracy to kill JFK took shape in response to Robert Kennedy s relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement Pushed to the wall mob leaders merely had to look to the networks already in place for a solution They found it in Lee Harvey Oswald the ideal character to enact their desperate revenge against the Kennedys Comprehensive detailed and informed by original sources *The Road to Dallas* adds surprising new material to every aspect of the case It brings to light the complete frequently shocking story of the JFK assassination and its aftermath     **Honest Answers about the Murder of President John F. Kennedy** Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject     **The Story of the Assassination of John F. events you will learn about the Kennedy assassination like you never have before in no time at all      *Assassination of John F. Kennedy* Terry Collins, 2014-06-05 22 November 1963 began as a good day for President John F Kennedy From the time he got off the plane at Love Field he was pleasantly surprised to see the thousands of admirers who awaited the arrival of Air Force One at Love As the motorcade travelled from Love Field into the city people lined the streets to catch a glimpse of the popular president and his beautiful and stylish wife However a national tragedy would unfold within an hour This graphic non fiction book tells the story of this terrible day      *"The President Has Been Shot!": The Assassination of John F. Kennedy* James L. Swanson, 2013-09-24 A breathtaking and dramatic account of the JFK assassination by the NEW YORK TIMES bestselling author of CHASING LINCOLN S KILLER In his new young adult book on the Kennedy assassination James Swanson will transport readers back to one of the most shocking sad and terrifying events in American history As he did in his bestselling Scholastic YA book CHASING LINCOLN S KILLER Swanson will deploy his signature you are there style a riveting ticking clock pace with an unprecedented eye for dramatic details and impeccable historical accuracy to tell the story of the JFK assassination as it has never been told before The book will be illustrated with archival photos and will have diagrams source notes bibliography places to visit and an index      *Praise from a Future Generation* John Kelin, 2007 Finely written and meticulously documented this book describes how very early on a small group of ordinary citizens began extraordinary efforts to demonstrate that the JFK assassination could not have happened the way the government said it did In time their efforts had an enormous impact on public opinion but this account concentrates on the months before the controversy caught fire when people with skeptical viewpoints still saw themselves as lone voices Material seldom seen by the public includes a suppressed photograph of the grassy knoll an unpublished 1964 interview with an eyewitness the earliest mention of the magic bullet and an analysis of the commotion surrounding New Orleans district attorney Jim Garrison s charge that anti Castro CIA operatives were involved      **The Girl on the Stairs** Barry Ernest, 2011-03 On November 22 1963 a young Victoria Elizabeth Adams stood behind a fourth floor window of the Texas School Book Depository in Dallas She watched as John Kennedy was murdered in the streets below Then with a co worker in tow she ran down the back stairs of the building in order to get outside and determine what had happened At that precise moment her life changed forever Her actions posed serious problems for the Warren Commission already grappling with its agenda of naming Lee Harvey Oswald as the lone assassin If Miss Adams was telling the truth then she had descended those stairs at the same time Oswald would have been on them as he made his escape from the sixth floor sniper s nest Yet Miss Adams saw no one And even though the stairs were old wooden and creaky under any weight she heard no one either When Miss Adams was called to testify before a Commission attorney she was quickly discredited humiliated and eventually branded a liar Behind closed doors she pleaded with the government to conduct time tests of her actions if she was felt to have been inaccurate She begged the government to question her co workers particularly the woman who had accompanied her down

the stairs if she was not believed Instead she was ignored And so knowing the truth of what she had done and now fearing for her life because of it she went into hiding and became willing to die with that secret knowledge Intrigued by what little was available about Miss Adams the author went in search of her It took him 35 years to eventually find this elusive witness As his journey progressed many questions arose about the assassination while others were put to rest And in the end the truth of what Miss Adams did was finally discovered This is an important story unique in this mess that continues to surround Kennedy s death It is a story that has been buried for decades It is an account the government did not want you to hear and actually fabricated evidence in order to keep you from hearing it Now the truth can be told      **Decisive Moments in**
