

# Strange Alliance

**Edmund Burke**

## Strange Alliance:

*A Case of Strange Alliances* Mcreed, 2012-09 *A Case of Strange Alliances* is the first book of a trilogy. The story takes place in the 1980s. We meet Mariam Al Saffat, a 1960s activist who has gone mainstream but still has radical underpinnings. A divorced mother of three, she has earned an undergraduate degree and a master's degree; she is CEO of her own very successful company. She expresses her radicalism and altruism through sponsoring and managing a home for unwed mothers in Harlem. Terry Maskonov is her business partner and friend. He is an ex-KGB agent who has relocated to the United States. The two met during the 1970s while both were involved with a left-wing newspaper that was funded by the Soviet Union. Their consulting firm deals primarily in industrial espionage. Both believe that the new cold war will be fought on the business front and with computer technology instead of nuclear weapons. The book opens with a prologue in which Mariam finds one of her sixties radical pals, Addy, who was stuck in the past, dead on his bathroom floor. She calls her best friend, Ralphie, who was also a part of the sixties radical group and is now a beat cop. The death was originally deemed due to natural causes, but Ralphie's unauthorized investigation resulted in two men confessing that they killed Addy for a \$100 drug debt. Ralphie doesn't believe it and vows to continue the investigation. Mariam cautions against her doing this due to the fact that she has been given a gold shield, made a detective due to her work on the case, even though this work was against police policy and procedure. Ralphie feels that she was given the gold shield to shut her up and stop her from further investigation. The story begins three years after the prologue. Ralphie has taken the money and run. She retired at the salary of a detective after a year with a lot of overtime, resulting in a big pension. She has become an investigative reporter for a daily newspaper and won two Pulitzer Prizes. She is currently working on something big but has gone missing. Her editor, a powerful and cunning Latino, contacts Mariam first because of her relationship with Ralphie and second because of her investigative and industrial espionage background. The story takes off from this point. In the search for Ralphie, we are taken into the dark and evil world of a hate group; we meet its insane leader. We learn of a clever scheme to infiltrate every level of corporate America and government bureaucracy and of a diabolical plan to pit African Americans and Jews against each other. The goal is to destroy the relationship forged during the Civil Rights era. The ultimate plan is to destroy American society as we know it and replace it with the one aspired to by the Third Reich. The subplot deals with a very sexy and complex relationship between Mariam and Terry.

*Forgotten Bastards of the Eastern Front* Serhii Plokhy, 2019-10-03 Many books claim to tell an unknown story of the Second World War. Few of them actually do. *Forgotten Bastards* is a rare exception. This is gripping history. Duncan Weldon, *Prospect*. A riveting story of World War II from the author of *Chernobyl*, winner of the Baillie Gifford Prize for non-fiction. In November 1943, with the outcome of the Second World War hanging in the balance, the Allies needed a new plan. The Americans' audacious suggestion to the Soviets was to open a second air front with the US Air Force establishing bases in Soviet-controlled territory. Despite Stalin's obvious reservations about the presence of foreign troops in

Russia he was persuaded Operation Baseball and then Frantic were initiated in early 1944 as B 17 Superfortresses were flown from bases in Italy to the Poltova region in today's Ukraine Award winning historian Serhii Plokhyy tells the gripping little known story of this encounter between American and Soviet soldiers and how their collaboration quickly fell apart mirroring the transition from the Grand Alliance to the Cold War Soviet secret policemen watched over the Americans shadowing their every move A catastrophic air raid by the Germans revealed the limitations of Soviet air defences As their initial enthusiasm turned into disappointment the American soldiers started calling themselves the Forgotten Bastards of Ukraine Ultimately no common purpose could overcome their cultural and political differences Drawing on newly opened Russian archives as well as CIA records *Forgotten Bastards of the Eastern Front* offers a riveting bottom up history of one of the Second World War's most unlikely alliances

**Diplomacy Shot Down** E. Bruce Geelhoed, 2020-03-26 The history of the Cold War is littered with what ifs and in *Diplomacy Shot Down* E Bruce Geelhoed explores one of the most intriguing What if the Soviets had not shot down the American U 2 spy plane and President Dwight D Eisenhower had visited the Soviet Union in 1960 as planned In August 1959 with his second term nearing its end Eisenhower made the surprise announcement that he and Soviet premier Nikita S Khrushchev would visit each other's countries as a means of thawing some of the ice of the Cold War Khrushchev's trip to the United States in September 1959 resulted in plans for a four power summit involving Great Britain and France and for Eisenhower's visit to Russia in early summer 1960 Then in May 1960 the Soviet Union shot down an American U 2 surveillance plane piloted by Francis Gary Powers The downing of Powers's plane was in Geelhoed's recounting of this episode in Cold War history not just a diplomatic crisis The ensuing collapse of the summit and the subsequent cancelation of Eisenhower's trip to the Soviet Union amounted to a critical missed opportunity for improved US Soviet relations at a crucial juncture in the Cold War In a blow by blow description of the diplomatic overtures the U 2 incident and the aftermath *Diplomacy Shot Down* draws upon Eisenhower's projected itinerary and unmade speeches and statements as well as the American and international press corps preparations for covering the aborted visit to give readers a sense of what might have been Eisenhower's prestige within the Soviet Union was so great Geelhoed observes that the trip if it had happened could well have led to a détente in the increasingly dangerous US Soviet relationship Instead the cancelation of Ike's visit led to an escalation in hostilities that played out around the globe and nearly guaranteed that the missile gap would reemerge as an issue in the 1960 presidential campaign A detailed account of an episode that defined the Cold War for a generation *Diplomacy Shot Down* is in its insights and revelations something rarer still a behind the scenes look at history in the unmaking

**The Army Air Forces in World War II: Europe, argument to V-E Day, January 1944 to May 1945**, 1948 *Munsey's Magazine*, 1900

**The Forbidden Daughter** Zipora Klein Jakob, 2024-04-25 The unforgettable true story of one Jewish orphan's survival against impossible odds and her lifelong quest for family safety and a sense of belonging

*Littell's Living Age*, 1883

**Red Spies in America** Katherine Amelia Siobhan Sibley, 2004 The most detailed study of

Soviet military industrial espionage during the 1930s 1940s and 1950s spying aimed specifically at acquiring restricted information and materials relating to American industry technology and science      **The Alpine Fay** E. Werner,1889  
Alden's Cyclopedia of Universal Literature ,1891      **The Constitutional History of England in Its Origin and Development** William Stubbs,1887      The Works of the Right Honourable Edmund Burke Edmund Burke,1872      **The Home Rule Movement with a Sketch of Irish Parties from 1843** Thomas Power O'Connor,1891      **The Palatine Note-book** ,      *Virginia, Maryland, and the Carolinas* John Andrew Doyle,1889      The Illustrated American ,1897  
*Public Opinion* ,1873      **NATO and Germany** Stanford M. Lyman,1995 How both NATO and Germany managed to maintain themselves in a state of dynamic equilibrium throughout the era of the Cold War illustrates the concept of international organization called cooptation which Lyman helped to define and expand      **The letters of Thomas Gray, including the correspondence of Gray and Mason, ed. by D.C. Tovey** Thomas Gray,1912      Memoir of John Plummer Healy, LL. D. George Bowlend Reed,Godfrey Morse,Robert McNeil Morse,Samuel Joseph May,1879

## **Strange Alliance** Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Strange Alliance**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound affect our existence. Throughout this critique, we shall delve into the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.
