Stranger In Hoganville:

Barefoot to Avalon David Payne, 2015-08-04 From a New York Times Notable author comes a fiercely honest and utterly heartbreaking memoir of brotherhood grief and mental illness Jay McInerney In 2000 while moving his household from Vermont to North Carolina author David Payne watched from his rearview mirror as his younger brother George A driving behind him in a two man convoy of rental trucks lost control of his vehicle fishtailed flipped over in the road and died instantly Soon thereafter David s life entered a downward spiral that lasted several years His career came to a standstill his marriage disintegrated and his drinking went from a cocktail hour indulgence to a full blown addiction He found himself haunted not only by George A s death but also by his brother s manic depression a hereditary illness that overlaid a dark and violent family history whose roots now gripped David threatening both his and his children s futures The only way out he found was to write about his brother This is the piercing tour de force account of David and George A s boyhood footrace that lasted long into their adulthood defining their relationship and their lives Los Angeles Times As universal as it is intimate this is an exceptional memoir of sibling rivalry and sibling love and of the torments a family can hold silent and carry across generations A story not only of survival in the face of adversity but of hard won wisdom *Barefoot to Avalon* is an elegy to a brother that plumbs depths beyond depths a fever dream of a memoir a blazing map of familial love and loss headlong and heartbreaking and gorgeously written James Kaplan national bestselling author of *Frank The Voice* and *Sinatra The Chairman* The Random House Encyclopedia ,1977 *Liberator Bomber* Eugene Thomas Winn, 2004 United States Army Air Corps Lieutenant Eugene T Winn wrote home to his father regularly from before his enlistment in May 1942 until his discharge in September 1945 This correspondence is the core of the book Documents and photographs give a definitive sense of place and immediacy to the story And in the telling the reader can learn much of war and its lasting effects on persons family community It is a compelling story laced with suspense and drama Lt Winn did not want to be in the Army and like many young men of his day saw aviation as preferable The airplane was going to revolutionize war making Eugene wanted to be part of that revolution And so he was in a four engine bomber a B 24 Liberator stationed in Bugay England In early June 1944 Winn s wife was notified that her husband was missing in action Frantic attempts to find out what had happened on 25 May 1944 had to wait the liberation of Paris for answers No fairy tale this still a happy ending but with scars and lessons for a lifetime The story indeed is compelling more compelling than any fairy tale might ever be **Georgia Local Government Journal** ,1964 The Random House Encyclopedia James Mitchell, Random House (Firm), 1990 This encyclopedia has become the one indispensable reference for families students and businesses across North America Unmatched in scope and authority it has been acclaimed for its unique visual appeal and instantly accessible organization **Tales from the 1980 Louisville Cardinals** Jim Terhune, 2004 Negative vibes echoed through the athletic environs of the University of Louisville campus like claps of thunder in 1979 The coughs and sputters of the engine that had always driven U of L sports basketball

was concerning to an athletic department that was under fire for the failings of its football team and its athletic director Basketball coach Denny Crum had taken the Cardinals to two NCAA Final fours in his first four seasons Louisville had not been able to win the great prize but its runs had given rise to great expectations His next four squads burst out of the blocks with lightning speed too When each one wheezed in late February and came to a halt in mid March however great hopes turned into great grumblings Could Crum ever win the big one Eighty three minutes and 27 seconds into the season the fifth starter Scooter McCray went out for good with a torn knee ligament His replacement was brother Rodney a freshman who had arrived in poor condition and with a poor attitude We ll be lucky to win 15 games Crum said He had never won fewer than 20 in any of his eight campaigns but no one argued with this pronouncement Yet with a rookie three sophomores and star Darrell Griffith and his 48 inch vertical leap in the lineup strange zany and enchanting things began to happen Wiley Brown was given a bionic thumb and the prosthesis not only apparently helped his rebounding but also stayed on most of the time Manchild small forward Derek Smith talked of being from Jupiter one night and snatched 15 rebounds with his Goliath sized hands the next Reserve Roger Burkman s demolition derby aggression earned him the pen name Instant Defense while sub PonchoWright s cloud tickling jumpers and jaw dropping dunks got him the Instant Offense title Rodney McCray transformed himself into an indispensable man not overnight but over the course of a few minutes when his sibling went down Above all this quite literally and figuratively was Griffith He led as an athlete by his graciousness and classy demeanor They became a team that put winning above everything Each of them would have welcomed any of the others into a foxhole The discombobulated basketball team set an impossibly high standard of bonding through diversity and adversity and promptly answered that question posed by Crum s peers Yes he could win the big one
