## **Strangers Who Love:**

**Other People's Love Affairs** D. Wystan Owen, 2018-08-21 Owen writes exquisite stories that lodge somewhere in my chest and keep detonating loudly devastatingly again and again Garth Greenwell author of What Belongs to You In the ten luminous stories of D Wystan Owen's debut collection the people of Glass a picturesque village on the rugged English coast are haunted by longings and deeply held secrets captive to pasts that remain as alive as the present Each story takes us into the lives of characters reaching earnestly and often courageously for connection to the people they have loved Owen observes their heartbreaks their small triumphs and their generous capacity for grace A young nurse reeling from the disappearance of her mother forges an unlikely friendship with a local vagrant A young boy is by turns dazzled and disillusioned by a trip to the circus with a family friend A widower revisits the cinema where as a teenager he and an older woman shared trysts that both thrilled and baffled him A woman is offered fragile uneasy forgiveness for a cruel act from years ago And in the title story a shopkeeper's vision of the woman she loved is upended by the startling revelation of a secret life Surprising and powerful and in the classic tradition of fiction by James Joyce William Trevor and Elizabeth Strout Owen's interconnected stories strike a deep and resounding emotional chord

dignity Now including a reading group guide     Strangers and Pilgrims Mary Elizabeth Braddon,1873     *Easter Egg and other poems of faith, hope, & love* Daniel W Pannebaker,2014-07-25 ONE OF THE most well known passages in the Bible and perhaps in all of literature is the thirteenth chapter of St Paul s first letter to the Corinthians often called the love chapter In it Paul extols the qualities of love and ends his writing by stating And these three abide faith hope and love These three virtues have guided me during my days on this earth A faith that draws me daily to admit my inadequacies and to ask for the grace to live a life worthy of His calling A hope that continuously compels me to be a stronger person a brighter light a better writer A deep and abiding love for God my family my friends I have tried to express these virtues in the poems I share with you here The majority of my poems do not rhyme Instead I like to build a rhythm in my writing by how I break each line in a verse so that your eye is constantly yearning for the next word For something different I have included two examples escape and Lovers and Other Strangers of concrete poetry a form developed in the 1950s in which the physical shape of the words on the page adds as much meaning to the poem as the words themselves And with a nod to my Bachelor s degree in Russian I also give you with its translation on the following page I recently took one of those online quizzes about what type of writer are you My results said that You write because you feel a deeper calling to the work and because you want to explore the soul element of life You re not shy of adding a moral to the story and most want to reach readers who will understand your unique view on life Writing is more than just putting words on paper for you it is a written prayer And to that I can say only Amen     Strangers in Love. Missionary Society,1892     Surrender, White People! D. L. Hughley,Doug Moe,2020-06-30 THE NATIONAL BESTSELLER  
Hughley uses his trademark humor to address the stark divisions in society that stem from centuries of white supremacy  
People Surrender white people After 400 years of white supremacy in America a reckoning is here These are the terms of  
peace and they are unconditional Hope you brought a sense of humor because this is gonna sting After centuries of  
oppressing others white people are in for a surprise You re about to be a minority yourself Yes the face of America is getting  
a lot browner and a reckoning is coming Black and brown folk are not going to take a back seat anymore It s time to  
surrender your unjust privileges and sue for peace while the getting s still good Lucky for America D L Hughley has a plan  
On the eve of America becoming a majority minority nation Hughley warns the only way for America to move forward  
peacefully is if Whites face their history put aside all their visions of superiority and open up their institutions so they benefit  
everyone in this nation But we can still have fun with this right Surrender White People hilariously holds America account for  
its wrongs and offers D L s satirical terms for reparations and reconciliation But it s not all bad news white folks The upside  
is that if you put D L s plan into effect you can FINALLY get black people to stop talking about oppression discrimination and  
their place in America Now that s something we ALL can get behind
