Lost Diary of Anne Frank Johnny Teague, 2022-09-06 The Diary of Anne Frank is a seminal piece of twentieth century literature It recounts the tragic and moving story of a young Jewish teenager faced with the horrors of Nazism In it Anne establishes a bond with her readers that transcends both time and space making them her friends and confidants Readers feel a connection with each dream she had each fear she endured and each struggle she confronted Her diary ended but her story did not The Lost Diary of Anne Frank picks up where her original journal left off taking the reader on a credible journey through the tragic final months of her life faithfully adhering to her own very personal diary format in the process In The Lost Diary of Anne Frank Anne receives mysterious help from many quarters A strange lady on the other side of the fence haunts her dreams Her mom once vilified becomes a hero Anne struggles with the existence of God and His presence or absence in all of her ordeals She contrasts the depravity of man with what she sees as mankind's evident virtues Her longing to experience sensual pleasures is numbed by forced over exposure She finds that in the Nazi efforts to extinguish the humanity of their victims a chorus of unity evolves among the captives Anne's vaulted dreams for fame and notice are ultimately traded in for the true longings of life love and peace The Lost Diary of Anne Frank follows her story to the chilling end Dr Johnny Teague is an author and historian having earned five degrees culminating with a doctorate in exposition from Southwestern Baptist Theological Seminary In preparation for writing this book he interviewed many Holocaust survivors and studied at the Holocaust museums in Houston Washington D C and Yad Vashem in Israel His studies have taken him to numerous historical sites including Auschwitz Dachau the Corrie ten Boom
