Accounting Practice Office Procedures Manual:

Law Office Policy & Procedures Manual Howard I. Hatoff, Robert C. Wert, 2006 This manual helps medium and large law firms increase productivity by providing a model manual for law office policies and procedures. The book, an updated and expanded version of the previous fourth edition, is divided into seventeen sections covering such topics as law office organization management and administration, support personnel, office policies, personnel policies and benefits, office security and emergency procedures, financial management, file systems, technology and communications systems. The book contains numerous sample forms and documents, as well as extensive bibliographies. A CD containing the entire text of the manual is included, allowing customization of the manual for particular user needs.

The Architect's Handbook of Professional Practice Joseph A. Demkin, American Institute of Architects, 2008-03-24 This updated resource covers all aspects of architectural practice, featuring new material of sustainable design, managing multiple offices, lifelong learning, mentoring, and team building. Revised content on programming, project management, construction, contract administration, risk management, and ethics, and coverage of small firm considerations, as well as emerging issues such as integrated practice and integrated project delivery.

Jacket Dental Office Administration Geraldine S Irlbacher, Guy S. Girtel, 2020-03-18 Dental Office Administration is a comprehensive resource that details the responsibilities of the dental office professional, providing practical communication techniques and tips for problem solving. It also provides the necessary clinical background information every dental office professional needs for a successful practice. Hands-on activities within the text require students to practice common tasks such as dental charting, writing a memo, or conducting a mock telephone call with another student. A free bonus DVD ROM for Windows includes practice management software called DENTRIXG4, practice management to give students real world experience managing patient data and filing electronic claims. A companion Website includes the full text and a quiz bank.
