Forensic Investigation of Clandestine

Laboratories Donnell R. Christian, Jr., 2003-07-28 Clandestine lab operators are not the mad scientists whose genius keeps them pent up in the laboratory contemplating elaborate formulas and mixing exotic chemicals In fact their equipment is usually simple their chemicals household products and their education basic Most of the time the elements at the scene are perfectly legal to sell and own It is only in the combination of all these elements that the lab becomes the scene of a criminal operation Forensic Investigation of Clandestine Laboratories guides you step by step through the process of recognizing these illegal manufacturing operations Then it shows you how to prove it in the courtroom In non technical language this book details How to recognize a clandestine lab How to process the site of a clandestine lab How to analyze evidence in the examination laboratory What to derive from the physical evidence How to present the evidence in court The identification and investigation of a clandestine lab and the successful prosecution of the perpetrators is a team effort A collaboration of law enforcement forensic experts scientists and criminal prosecutors is required to present a case that definitively demonstrates how a group of items with legitimate uses are being used to manufacture an illegal controlled substance Providing an understanding of how the pieces of the clandestine lab puzzle fit together this book outlines the steps needed to identify and shut down these operations as well as successfully prosecute the perpetrators

Nutrition Essentials for

Mental Health Leslie Korn, 2015-12-31 Exploring the connection between nutrition and mental wellness so therapists can provide more effective integrated treatment Diet is an essential component of a client s clinical profile Few therapists however have any nutritional training and many don t know where to begin In Nutrition Essentials for Mental Health Leslie Korn provides clinicians with a practical guide to the complex relationship between what we eat and the way we think feel and interact with the world Where there is mental illness there is frequently a history of digestive and nutritional problems Digestive problems in turn exacerbate mental distress all of which can be improved by nutritional changes It s not unusual for a deficit or excess of certain nutrients to disguise itself as a mood disorder Indeed nutritional deficiencies factor into most mental illness from anxiety and depression to schizophrenia and PTSD and dietary changes can work alongside or even replace medications to alleviate symptoms and support mental wellness Nutrition Essentials for Mental Health offers the mental health clinician the principles and practices necessary to provide clients with nutritional counseling to improve mood and mental health Integrating clinical evidence with the author s extensive clinical experience it takes clinicians step by step through the essentials for integrating nutritional therapies into mental health treatment Throughout brief clinical vignettes illustrate commonly encountered obstacles and how to overcome them Readers will learn Why nutrition matters in mental

health The role of various nutrients in nourishing both the brain and the gut the second brain Typical nutritional culprits that underlie or exacerbate specific mental disorders Assessment techniques for evaluating a client's unique nutritional needs and counseling methods for the challenging but rewarding process of nutritional change Leading edge protocols for the use of various macro and micronutrients vitamins and supplements to improve mental health Considerations for food allergies sensitivities and other special diets The effects of foods and nutrients on DSM 5 categories of illness and alternatives to pharmaceuticals for treatment Comprehensive stage based approaches to coaching clients about dietary plans nutritional supplements and other resources Ideas for practical affordable and individualized diets along with optimal cooking methods and recipes Nutritional strategies to help with withdrawal from drugs alcohol and pharmaceuticals And much more With this resource in hand clinicians can enhance the efficacy of all their methods and be prepared to support clients mental health with more effective integrated treatment Secrets of Methamphetamine Manufacture Fester (Uncle.), Fester, 2002 This title is out of print as of 03/02/2005 A new revised and updated edition Secrets of Methamphetamine Manufacture 7th Edition will be available as of 03/08/2005 Congressional Record United States.
