## Sports Jokethe

**Ellen W. Gerber, William J. Morgan**

## **Sports Jokethe:**

**In on the Joke: The Ethics of Humor and Comedy** Thomas Wilk, Steven Gimbel, 2024-01-29 Who is morally permitted to tell jokes about Jews Poles Women Only those in the group Only those who would be punching up Anyone since they are just jokes All of the standard approaches are too broad or too narrow In on the Joke provides a more sophisticated approach according to which each person possesses joke capital that can serve as comic insurance covering certain jokes in certain contexts When Bob tells a joke about Jews we can never know exactly what Bob is intending since we cannot see inside Bob's mind But we could reasonably infer if we knew Bob himself was Jewish if he worked tirelessly for Jewish causes or was a card carrying Neo Nazi Each would affect his joke capital and in certain circumstances we would have a moral standing to demand to see his ledger to see how much joke capital he had with respect to Jews The permissibility of that joke depends upon four factors the joke the teller of the joke the audience and the setting The view developed in In on the Joke is the only view that clearly explains how each of these components work together in an integrated effective ethic of humor
