Sports Americana I:

Sports Americana II Charles S. Hellman, Robert A. Tiritilli, 2005-02 SPORTS AMERICANA II is a delightful cartoon book designed to give everyone a humorous look at sports. The absurdity of sports and its ludicrousness come to life from Tiritilli's pen. His hilarious cartoons target players, coaches, and fans alike. Our LuckySports collection of copyrighted sport cartoon characters give a fresh new look to sports humor and are featured throughout the book. The book contains over 100 original black and white sports cartoons. This book's silliness is a winner for anyone who has ever been in sports. SPORTS AMERICANA II is a gift for all occasions and makes perfect bathroom reading for couch potatoes and beer drinkers alike.

Asian American Athletes in Sport and Society C. Richard King, 2014-10-24 For more than a century sporting spectacles media coverage and popular audiences have staged athletics in black and white. Commercial media and academic accounts have routinely erased, excluded, ignored, and otherwise made absent the Asian American presence in sport. This book seeks to redress this pattern of neglect, presenting a comprehensive perspective on the history and significance of Asian American athletes, coaches, and teams in North America. The contributors interrogate the sociocultural contexts in which Asian Americans lived and played, detailing the articulations of power and possibility, difference and identity, representation and remembrance that have shaped the means and meanings of Asian Americans playing sport in North America. This volume will be of interest to students and scholars of the Asian American experience, ethnic relations, and the history of sport.

Women's American Football Russ Crawford, 2022-11 Tackle football has been primarily viewed as a male sport but at a time when men's participation rates are decreasing, an increasing number of women are entering the gridiron and they have a long history of doing so. Women's American Football is a narrative history of girls and women participating in American football in the United States since the 1920s when a women's team played at halftime during an early NFL game. The women's game became more organized in 1974 when the National Women's Football League was established with notable teams such as the Dallas Bluebonnets, Toledo Troopers, Oklahoma City Dolls, and Detroit Demons. Today there are two main professional leagues in the United States, the Women's Football Alliance with nearly seventy teams and the Women's National Football Conference with eighteen, in addition to a number of smaller leagues. The National Association of Intercollegiate Athletics and the NFL have recently begun sponsoring flag football teams at the college level and the game is growing for high school girls as well. In 2021 more than two thousand girls played on mostly boys' teams and there are currently four all girls' leagues in the United States and Canada in Manitoba, Utah, Indiana, and New Brunswick. In addition to the rapid growth of women playing football, there have been advancements in other areas of the game. Beginning with Jennifer Welter in 2015, several women have earned positions coaching the professional game. In 2020, ESPN aired "Born to Play," a documentary on the Boston Renegades, the 2019 champion of the Women's Football Alliance. Based on extensive interviews with women players and focusing closely on leagues, teams, and athletes since the passage of Title IX in 1972, Russ Crawford illuminates the rich
