Kashatus, 2005-02-18 It has been said that Connie Mack managed only two kinds of teams during his half century in the City of Brother Love unbeatable and lousy His teams collected nine pennants and five World Series titles balanced by 17 last place finishes While Mack an enterprising businessman had a gift for discovering talented players and molding them into a team by the time he was well into his sixties Philadelphians suspected that the A's skipper had lost his ability Mack went on to disprove all doubts however with a second championship dynasty in 1929 that vindicated the Tall Tactician This work chronicles the rise and fall of the 1929 Philadelphia Athletics and their six year rivalry with the New York Yankees 1927 to 1932 Based primarily on newspaper accounts the book tells the story of the Grand Old Man of Baseball and the 1929 A's

team that is unfairly overlooked in favor of the 1927 Yankees as baseball's greatest all-around team. This history is packed with photographs, notes, and statistical appendices and includes a foreword by The Sporting News writer Dave Kindred.

**Jews and Baseball** Burton A. Boxerman, Benita W. Boxerman, 2016-06-23 This history follows up on the well-received first volume and traces the arc of Jews in baseball after Hank Greenberg retired in 1948. During this postwar period, Jews saw greater acceptance into the American mainstream as organized anti-Semitism was largely displaced by greater affluence, education, and a more geographically dispersed Jewish community. Jews continued to flourish in baseball; new stars like Al Rosen, Sandy Koufax, and Shawn Green debuted, and off the field, the era brought more Jewish owners, executives, sportswriters, broadcasters, and even a commissioner. This book further demonstrates how and why Jews and baseball have continued to grow together.
