long road to the Trump presidency began on August 1 1988 when desperate for content to save AM radio top media executives stumbled on a new format that would turn the political world upside down They little imagined that in the coming years their brainchild would polarize the country and make it nearly impossible to govern Rush Limbaugh an enormously talented former disc jockey opinionated brash and unapologetically conservative pioneered a pathbreaking infotainment program that captured the hearts of an audience no media executive knew existed Limbaugh s listeners yearned for a champion to punch back against those maligning their values Within a decade this format would grow from fifty nine stations to over one thousand keeping millions of Americans company as they commuted worked and shouted back at their radios The concept pioneered by Limbaugh was quickly copied by cable news and digital media Radio hosts form a deep bond with their audience which gives them enormous political power Unlike elected representatives however they must entertain their audience or watch their ratings fall Talk radio boosted the Republican agenda in the 1990s but two decades later escalation in the battle for the airwaves pushed hosts toward ever more conservative outrageous and hyperbolic content Donald Trump borrowed conservative radio hosts playbook and gave Republican base voters the kind of pugnacious candidate they had been demanding for decades By 2016 a political force no one intended to create had completely transformed American politics

**Misframing Men** Michael Kimmel, 2010-05-20 This past decade has witnessed an extraordinary transformation in men s lives For years wave after wave of the women s movement a movement that reshaped every aspect of American life produced nary a ripple among men But suddenly men are in the spotlight Yet the public discussions often seem strained silly and sometimes flat out wrong The spotlight itself seems to obscure as much as it illuminates Old tired clichés about men s resistance to romantic commitment or reluctance to be led to the marriage altar seem perennially recyclable in advice books and on TV talk shows but these days the laughter feels more forced the defensiveness more pronounced Pop biologists avoid careful confrontation with serious scientific research in their quest to find anatomical or evolutionary bases for promiscuity or porn addiction hoping that by fiat one can pronounce that boys will be boys and render it more than a flaccid tautology And political pundits wring their hands about the feminization of

American manhood as if gender equality has neutered these formerly proud studs *Misframing Men* a collection of Michael Kimmel's commentaries on contemporary debates about masculinity argues that the media have largely misframed this debate Kimmel among the world's best known scholars in gender studies discusses political moments such as the Virginia Military Institute and Citadel cases that reached the Supreme Court he participated as expert witness for the Justice Department along with Promise Keepers rallies mythopoetic gatherings and white supremacists He takes on antifeminists as the real male bashers questions the unsubstantiated assertions that men suffer from domestic violence to the same degree as women and examines the claims made by those who want to rescue boys from the misandrous reforms initiated by feminism In writings both solidly grounded and forcefully argued Kimmel pushes the boundaries of today's modern conversation about men and masculinity *The Best American Sports Writing*, 2003 *The American News Trade Journal*, 1924 *Time Out New York* Editors of Time Out, 2012-07-13 Now in its 20th edition Time Out New York provides the inside track on the Big Apple in an exhaustive guide with illuminating features and hundreds of independent unbiased venue reviews covering everything from iconic skyscrapers to buzzing neighborhoods The guide offers an exhaustive overview of everything the city has to offer in terms of tourist attractions eating and drinking shopping clubs and the sights everything from pizza and bagels to shopping green Comprehensive coverage of the city's incomparable arts and culture scene makes this an invaluable sourcebook for tourists and natives alike An extensive month by month calendar of events is included Escapes and excursions within relatively easy reach for day or overnight trips are also included *American Radio*, 2000 *Time Out New York* 22nd edition Time Out Guides Ltd, 2014-05-08 Which Recommended Provider Time Out Guides is rated top guidebook brand by Which Survey for level of detail photography quality of maps ease of finding information and value for money America's most celebrated metropolis New York City needs no introduction Each year more than 50 million visitors from around the globe arrive to experience its renowned museums and cultural institutions its incredible range of retail and one of the world's most dynamic dining scenes In 2014-15 the constantly evolving cityscape gains several important sights including the National September 11 Museum at the rebuilt World Trade Center and the Renzo Piano designed Whitney Museum of American Art alongside the High Line one of the city's most popular attractions the elevated park cum promenade is unveiling a new northern stretch Drawing on the formidable expertise of our weekly magazine team which constantly surveys the arts and entertainment landscape and reviews countless new restaurants bars and shops Time Out New York selects the best of what's new in this famously fast paced destination while reserving space for the essential classics As the five boroughs of NYC have become more culturally unified coverage extends to must visit neighborhoods in Brooklyn and Queens which now rival and some would say surpass Manhattan for hot restaurants bars arts and nightlife The New York city guide highlights Full colour and illustrated throughout with exclusive photography using original imagery to give a real sense of the place Handy pull out New York map Extensive area guides not only cover the sightseeing in New York but also restaurants
