

# SPRAWL Busting

The background of the title is a high-angle aerial photograph of a city, showing a complex network of roads, highways, and urban sprawl. The image is grainy and has a color palette dominated by greens and browns, suggesting a mix of developed land and surrounding natural or semi-natural areas.

State Programs to Guide Growth

**Jerry Weitz**

## **Sprawl Busting State Programs To Guide Growth:**

**Sprawl Busting** Jerry Weitz,1999      **Managing Community Growth** Eric Kelly,2004-12-30 Despite roughly thirty years of experience with growth management programs which are basically land use planning tools most U S communities do not plan for how best to limit or manage rapid growth in fact most communities do not plan at all In the absence of planning land use boards regulators and other governing bodies simply react to initiatives from the private sector The result is predictably haphazard and does not allow communities to achieve such goals as protecting quality of life attracting certain types of businesses while discouraging others conserving wildlife or preserving open spaces and so forth In contrast planning by managing growth can help a town or city achieve any number of goals But it is a complex task This book brings the benefit of state and local experiences with growth management to researchers students and particularly practitioners who seek guidance in these matters Kelly provides a much needed context from which any community can answer the following questions Does growth management work Is it appropriate for the community and the particular problems that it is trying to address Is one type of growth management program more appropriate than another for our community Will the program in question have undesirable or desirable side effects What are the likely effects of adopting no growth management program at all This work is invaluable for the citizen volunteers who sit on land use boards including planning and zoning commissions conservation commissions and inland wetlands agencies In addition it can aid mayors city managers and city councils in interviewing and selecting candidates for town planner

**Sprawl Busting** Jerry Weitz,1999 As sprawl threatens ever larger chunks of the American landscape planners and public officials nationwide are talking about the potential benefits of smart growth Several states are on the verge of legislating new programs that mandate growth management planning at the regional and local levels A few states already have a long history of state sponsored land use programs but until now their experiences have not been analyzed or documented Just in time Jerry Weitz has written this thorough review of three decades of growth management efforts in the pioneering states of Florida Georgia Washington and Oregon Their experiences teach valuable lessons on how to craft legislation set up administrative structures and encourage local and regional governments to participate in mandated land use planning Weitz identifies three principal components of state sponsored land use planning intergovernmental local regional and state structures state requirements for local planning and state support functions for example grants technical assistance and data He documents and analyzes the various programs minimum standards for local land use plans Because he compares the structure of programs independent of politics and policy processes his analyses and observations are applicable elsewhere Exhaustively researched and well illustrated with maps charts and tables this book will be an invaluable resource for planning historians students and especially for planners and elected officials who devise and carry out state programs to guide growth in the next century

**A Way Forward** Daniel P. Gitterman,Peter A. Coclansis,2011-12-19 In the last half century North Carolina and the South have experienced rapid

economic growth Much of the best analysis of this progress came from two North Carolina based research organizations the Southern Growth Policies Board and MDC originally a project of the North Carolina Fund Their 1986 reports are two of the best assessments of the achievements and limitations of the so called Sunbelt boom On November 17 2011 the Global Research Institute at the University of North Carolina at Chapel Hill and the Institute for Emerging Issues at North Carolina State University co hosted a public discussion to build on these classic reports and to offer fresh analyses of the current challenges facing the region A Way Forward which issued from this effort features more than thirty original essays containing recommendations and strategies for building and sustaining a globally competitive South

**Community Planning** Eric Damian Kelly,2012-09-26 This book introduces community planning as practiced in the United States focusing on the comprehensive plan Sometimes known by other names especially master plan or general plan the type of plan described here is the predominant form of general governmental planning in the U S Although many government agencies make plans for their own programs or facilities the comprehensive plan is the only planning document that considers multiple programs and that accounts for activities on all land located within the planning area including both public and private property Written by a former president of the American Planning Association Community Planning is thorough specific and timely It addresses such important contemporary issues as sustainability walkable communities the role of urban design in public safety changes in housing needs for a changing population and multi modal transportation planning Unlike competing books it addresses all of these topics in the context of the local comprehensive plan There is a broad audience for this book planning students practicing planners and individual citizens who want to better understand local planning and land use controls Boxes at the end of each chapter explain how professional planners and individual citizens respectively typically engage the issues addressed in the chapter For all readers Community Planning provides a pragmatic view of the comprehensive plan clearly explained by a respected authority

The City Reader Richard T. LeGates, Frederic Stout,2011-01-11 The fifth edition of the highly successful City Reader juxtaposes the best classic and contemporary writings on the city It contains fifty seven selections including seventeen new contributions by experts including Elijah Anderson Robert Bruegmann Michael Dear Jan Gehl Harvey Molotch Clarence Perry Daphne Spain Nigel Taylor Samuel Bass Warner and others some of which have been newly written exclusively for The City Reader Classic writings from Ebenezer Howard Ernest W Burgess LeCorbusier Lewis Mumford Jane Jacobs and Louis Wirth meet the best contemporary writings of Sir Peter Hall Manuel Castells David Harvey Kenneth Jackson This edition of The City Reader has been extensively updated and expanded to reflect the latest thinking in each of the disciplinary areas included and in topical areas such as sustainable urban development climate change globalization and the impact of technology on cities The plate sections have been extensively revised and expanded and a new plate section on global cities has been added The anthology features general and section introductions and introductions to the selected articles New to the fifth edition is a bibliography listing over 100

of the top books for those studying Cities     **Smart Growth Audits** Jerry Weitz,Leora Susan Waldner,2002 A look at how a local government can examine the genetic codes of its planning the regulations and plans that govern development to determine whether those codes are programmed to facilitate sprawl or smart growth This report describes the concept of a smart growth audit and provides methods to implement one in your community Examples from a state Illinois regions in Indiana the Puget Sound are and metropolitan Atlanta are included but the focus is on how to do an audit at the local level using case studies of the audits in Charlotte Mecklenburg County and Durham North Carolina and Brookings Oregon A range of possible audits are described from a very basic audit to a very comprehensive audit for which a checklist is included

**Journal of Urban Planning and Development** ,2004     *Report* ,1978     *Planning* ,2007     Urban Sprawl Donald C. Williams,2000-11-08 Addresses the various issues surrounding the subject of environmental crisis including conserving natural resources saving the ozone layer reversing environmental damage and other relatd topics     Urban Sprawl David C. Soule,2006 Provides historical legal political and socio economic insights into the causes effects and solutions to urban sprawl This book delves into the challenges of urban sprawl by looking to some of the top thinkers on the matter including Robert Yaro the President of the Regional Plan Association     Costs of Sprawl-2000 ,2002 Describes urban sprawl and its effects The report begins with background historical information and then analyzes the impact of sprawl on resources including land conversion water and sewer infrastructure local road infrastructure local public service costs and real estate development costs Personal costs of sprawl are then described in terms of travel miles travel costs and quality of life The report ends with a discussion of the benefits of sprawl and ways to reduce the negative effects     **PAS Memo** American Planning Association. Planning Advisory Service,2002     **International Journal of Sustainable Development** ,2004

**The Practice of Local Government Planning** Charles Hoch,Linda C. Dalton,Frank S. So,2000 This classic ICMA green book is filled with practical guidance on a broad range of issues that planners are likely to encounter whether they work in inner cities older suburbs rural districts or small towns In addition to covering the latest planning trends and the impact of technology diversity and citizen participation this text gives complete coverage of basic planning functions such as housing transportation community development and urban design     **Michigan Municipal Review** ,2001     Planning the Green City? Mark David Owen Adams,2006     **Developments** ,2000     **Natural Resources Journal** ,2003
