**The Spirit of the Tarot** Claudine Aegerter, Berenice Benjelloun, 2009-12-31 This is a new exploration of the Tarot which reveals the esoteric numerological links underlying this ancient system and connects the teaching of the Tarot to the initiatic journey of the Soul If you are aspiring to connect with the mysteries of our life on this planet or you are already a disciple in some school of spiritual attainment this is a book which will illuminate your way As we explore beyond those physical emotional and mental aspects that we call the personality we find another energy that is not so easy to define and which seems to move us at a deeper level this is the Soul When we are receptive to the Soul s mystery we can start to connect to the universal collective energy of the Spirit The different stages in the fusion of personality and Soul and the unknown unseen alchemy of transmutation from matter to Spirit are illustrated by the twenty two cards of the Major Arcana The symbols are explained and the deeper esoteric meaning of each card is explored with the help of number This provides practical steps that can be applied to the everyday lives of those who seek greater consciousness Claudine Aegerter started Transcendental Meditation in 1970 then joined the National Federation of Spiritual Healers where she realised her abilities to channel She then started teaching and giving workshops in esoteric subjects As a leader in her field a counsellor and a healer she founded the Connaissance School of Numerology in 1993 bringing unique insights into the initiation of

consciousness to many around the world Berenice Benjelloun has worked as a professional artist Homeopath workshop leader and Numerologist The inspiration and underlying energy behind all her occupations has always been the promotion of the expanding consciousness of mankind She teaches at The Connaissance School of Numerology and is Vice chair of the Association Internationale de Numerologues

Unless a Grain of Wheat W. A. Willis,2010-01-24 This is a biography of G Christopher Willis a Canadian missionary to China from 1921 1949 His Christian literature publishing and distribution was the last Protestant missionary work in China after the Communist takeover continuing for another ten years under Communist rule At a time when the church in China entered a period of prolonged spiritual famine there remained a storehouse of Christian literature to feed the hungry and build up spiritual leaders enabling them to faithfully feed their flocks Today the church in China is the single most powerful witness of New Testament Christianity standing as a witness to the Western church as it flounders in materialism and liberalism This book is also a study of spiritual fruitfulness using the biography as a case study to understand Jesus words Unless a grain of wheat and their practical meaning in daily life There is a way forward for a floundering Western church to follow along the narrow path that Jesus has called it to walk
